

Lessons at: Godolphin School, Salisbury

Welcome to Wessex Swim School Salisbury. This 4 lane pool is the ideal venue for beginners all the way up to club standard with a separate large viewing gallery. All parents can wait and use the pool gallery whilst swim lessons take place.

Pool Dimensions

This pool is 25m long by 9m wide. The pool is 0.9m deep at the shallow end and 2m deep at the deep end. There are steps at both ends of the pool for easy access.

Location

The pool address is Godolphin School, Milford Hill, Salisbury SP1 2RA.

Changing rooms and pool

The male changing rooms are on the right hand side after the gym and the female changing rooms are almost opposite on the left hand side. Please note children aged over 8 years of age will need to change in the correct sex changing rooms.

All swimmers are allowed to use the changing facilities before and after their lessons.

Disabled Changing facilities

There is a large disabled changing room to the left of the male changing rooms.

Access to poolside

Once the child is changed and ready for the lesson, they must come back to the viewing gallery to be accompanied by the supervisor onto the poolside for their lesson. Swim hats are mandatory at this site.

No parents are permitted on the poolside during lessons.

Refreshments

There is a snacks and cold drinks vending machine and also a hot drinks machine on site.

Parking

Due to large events often being held at the school, there is no parking in the main school car park.

Parking can be found on Laverstock road, located just outside the school (there is a 2 hour free parking restriction time in force). There is a small side gate which allows you access into the school. If you follow the footpath up the hill, passed the tennis courts and then round to the left, it will lead you to the front of the swimming pool building.

Alternatively, just outside the main school car park entrance, there is a mini roundabout with a turning just off it called Bellamy Lane (also signposted as Unadopted Lane). If you drive down this lane there is a small car park at the end next to the Godolphin School Sports Hall. It will take about 3 – 4 minutes to walk from the car to the main school entrance.
