

Cultural Cohesion Quality Mark
Building harmonious relationships

OUR CCQM Pledge

Abbey Grange C of E Academy do hereby declare that we are undertaking the Cultural Cohesion Quality Mark (CCQM) for our organisation. By signing this statement of intent we agree to begin the CCQM journey towards building harmonious relationships and commit to ensuring that every interaction we have with our students, staff, parents/carers, governors and community partners is culturally responsive and promotes equality of opportunity for all individuals.

We aim to work our way through the phases of the CCQM to learn more about ourselves and others, so that we can be an active, conscientious group working together to build a harmonious community.

We will document our progress on our website and social media throughout our journey.

Our Abbey Grange Pledge

Our school vision is: We embrace Jesus' call to life in all its fullness. As a diverse community, we celebrate difference and build character through innovative and imaginative practice that seeks to transform lives. Enabling everyone to flourish means finding identity, purpose and value in God as we journey together.

This means we commit to listen to each other's stories; to celebrate each other's successes and to encourage each other through the challenges we all face. It means we stand up for justice and against injustice; we speak words to build up rather than tear down; we seek reconciliation and truth that acknowledge our mistakes but gives space to learn from them.

Through a curriculum that looks outward to expand our vision and links to the diverse experiences of all our learners, we seek to help shape young citizens who show respect for each other, the wider community and for creation, acknowledging the choices we make impact on a global scale.

Koinonia encompasses our community; a community rooted in faith and mutual care, based on a deep seated respect for every individual and a recognition we are more together.

Signed:
