

Audit Committee Charter

I. Purpose

The primary purpose of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of WidePoint Corporation (the "Company") is to assist the Board in fulfilling its oversight responsibilities with respect to: (i) the Company's accounting, auditing, and financial reporting processes; (ii) the integrity of the Company's financial statements; (iii) the Company's internal controls and procedures designed to promote compliance with accounting standards and applicable laws and regulations; and (iv) the appointment, and evaluation of the qualifications and independence, of the Company's independent auditors.

II. Membership

The Committee shall be comprised of two or more members of the Board, each of whom shall satisfy the independence and financial literacy requirements of The NYSE Mkt ("NYSE Mkt") and the Securities and Exchange Commission (the "SEC"). At least one member of the Committee shall meet the requirements of the NYSE Mkt Marketplace Rules and, unless the Board shall otherwise determine, shall also be an "Audit Committee Financial Expert", as defined by SEC regulations. Each member shall be free from any relationship that, in the opinion of the Board, would interfere with his or her exercise of independent judgment. The Board must determine that each member of the Committee: (i) qualifies as an "independent director" under the NYSE Mkt Marketplace Rules, unless the Board determines that an exemption to such qualification is available under the NYSE Mkt Rule, (ii) meets the "independence" requirements under Section 10A of the Securities Exchange Act of 1934 (the "Exchange Act") and (iii) satisfies the other requirements of Rule 4350(d)(2) of the NYSE Mkt Marketplace Rules.

The members of the Committee and the Chairman of the Committee shall be appointed annually by the Board of Directors. Members shall serve at the pleasure of the Board and for such term or terms as the Board may determine.

The Committee shall meet at least four times annually, or more frequently as the Committee may determine. Members of management, the Company's independent auditors and others shall attend meetings to provide pertinent information, as necessary. As part of its goal of fostering open communication, during its regularly scheduled meetings the Committee shall meet in separate executive sessions with management and with the independent auditors to discuss any matters that the Committee or any of these groups believes should be discussed privately. The Chairman of the Committee shall report to the Board regularly regarding the Committee's activities and actions, including at the first Board meeting following any Committee meeting.

The Chairman or, in the event of his absence from any meeting, another member of the Committee designated by vote of the members in attendance at such meeting, will chair all meetings of the

Committee and set the agendas for such meetings. Any other member of the Committee shall have the right to submit items to be included on the agenda for any Committee meeting.

The Committee shall keep regular minutes of its meetings and report the same to the Board from time to time and upon request.

III. Duties and Responsibilities

The Committee shall have and may exercise the powers of the Board in matters relating to the following duties and responsibilities, to the fullest extent permitted by law:

All approvals shall be in accordance with the Committee's Auditor Pre-Approval Policy, as amended from time to time.

5. The Committee shall confirm compliance by the independent auditors with laws and regulations relating to audit partner rotation.

6. The Committee shall obtain, review and discuss quarterly reports from the independent auditors to the Committee with respect to critical accounting policies and practices, alternative treatments of financial information within generally accepted accounting principles that have been discussed with management,

including ramifications of the use of such alternative disclosure and treatments, and the treatment preferred by the independent auditors and the impact of each on the quality and reliability of the Company's financial reporting, and other material communications with management, such as any management letter or schedule of unadjusted differences. All material communications shall be promptly provided to each member of the Committee.

7. The Committee shall review with the independent auditors and management the scope of the proposed audit plan for the current year, and at the conclusion thereof review such audit and any comments and recommendations of the independent auditors.

16. The Committee shall review with management and the independent auditors any legal, regulatory or compliance matters that could have a significant impact on the Company's financial statements, including any correspondence with regulators or government agencies and any employee complaints or published reports that raise material issues regarding the Company's financial statements or accounting policies and any significant changes in accounting standards or rules promulgated by the Financial Accounting Standards Board, the SEC or other regulatory authorities.

17. The Committee members will be provided with continuing education opportunities in financial reporting and other areas relevant to the Committee.

The Company shall provide for appropriate funding, as determined by the Committee, in its capacity as a committee of the Board, for payment of: (i) compensation to any registered public accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company; (ii) compensation to any advisors engaged by the Committee as provided above; and (iii) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

These are the responsibilities of management and the independent auditors.
