

Information for Parents

CENTRE INFORMATION

As the date for the course at Skern Lodge approaches we wanted to reassure you of our commitment to high standards of care. Having read these notes, if you feel you need further clarification please do contact us.

- Risk assessments and procedures are updated regularly, and all guests are introduced and shown the appropriate measures upon their arrival.
- Skern Lodge supports all initiatives that improve standards of safety in outdoor activities. Skern Lodge is licensed to operate under the Adventure Centres (Young Persons Safety) Act and the Skern Lodge safety policy is to ensure the highest standards
- All adventure equipment is provided. It is modern, has BSI and EN standard if appropriate and is carefully maintained Please see the kit list below for details of personal clothing
- Instructors have first aid and lifesaving certificates as a basic requirement. All activities are supervised by instructors with the approved qualification for the activity. All staff, regardless of qualification, are regularly trained, reviewed and appraised
- There is a Duty Instructor on site 24 hours a day. Flood lights are kept on all night and the gates locked for security. Bedroom or building doors have locks.
- Skern Lodge has a modern automatic fire detection system and regularly holds practices and drills. We have on-site first aid posts and each instructor carries a first aid kit at all times away from the Centre. The local doctor is on call at all times.
- All drivers are over 21 and have the appropriate driving licences for minibuses. Driving standards are rigorously enforced. All our vehicles are inspected daily and regularly maintained. All buses have forward facing seats with seat belts for every person.

We look forward to giving your child an exciting, educational, adventurous and safe experience at Skern Lodge that will be of value forever.

WHAT YOU NEED TO BRING

TIPS TO ENJOY YOUR STAY

We try to have very few rules at Skern Lodge, please ensure that your child understands them:

1. Please ensure your child is well before attending our Centre.
2. All medication to be under the control of the group leader.
3. Have regard for the other groups staying at the Lodge, which means:
 - a. Quiet after 11.30pm (at the latest)
 - b. No entry into other bedrooms
 - c. No anti-social or aggressive behaviour
4. The swimming pool, assault course, high ropes and climbing areas are out of bounds unless accompanied by a Skern Lodge staff member.
5. Do not enter other accommodation areas. (i.e., if you are in the Farmhouse then there is no need to visit the Orchard or Courtyard).
6. Respect all property and equipment.
7. Be responsible for your own valuables.
8. In the event of an emergency please telephone the office (01237) 475992 between 8.30am to 5.30pm or one of our Duty Instructors between 5.30pm to 8.30pm on 07977 259633 or 07392 604507.
