

Citadel Diagnostics is a full-service, CLIA Licensed, high-complexity clinical testing laboratory. We offer on-time couriers and same day results, and favorable pricing based on projected volumes.

Infectious Diseases:

| Name of Test | Type of Test | Price |
|---|--------------|-------------------|
| SARS-CoV-2 (COVID-19) | qPCR | \$110 |
| SARS-CoV-2 (COVID-19) | Antigen | \$45 |
| Influenza | qPCR | \$110 |
| RSV | qPCR | \$110 |
| Combo Test (All-In-One): SARS-CoV-2 (COVID-19), Influenza, and RSV | qPCR | \$160 |
| HIV, Hepatitis B & C, HPV, Syphilis, Gonorrhoeae, Chlamydia, Herpes, MGen | qPCR | \$80 per organism |

Drug Screening:

| Name of Test | Type of Test | Analytes | Price |
|------------------------------------|-------------------|--|-------|
| Comprehensive Drug Screening Panel | Chemical Analyzer | Opiates, Benzodiazepines, Cocaine, Methadone, Oxycodone, Phencyclidine, Cannabinoids, Ecstasy, Fentanyl, Creatine, Buprenorphine, Barbiturates, Amphetamines, Ethanol, Adulterants | \$100 |

Pricing Sheet

Health & Wellness Screening:

| Name of Test | Type of Test | Analytes | Price |
|---|----------------------|--|-------|
| Clinical Chemistry Panel (Health & Wellness) | Chemical Analyzer | Albumin, Amylase, Creatinine, Carbon Dioxide, Glucose Hexakinase, Alkaline Phosphatase, Glycohemoglobin (HbA1c), Alanine Aminotransferase, LDL & HDL Cholesterol, Direct & Total Bilirubin, Blood Urea Nitrogen, Lipase, Triglycerides, Calcium, Cholesterol, Microalbumin, Total Protein | \$250 |
