CITADEL DIAGNOSTICS

DATA DASHBOARD –

Real-time tracking of status & results

The **Data Dashboard** gives school officials a secure, real-time snapshot of test status and results, plus enables compliant record-keeping and reporting...all at your fingertips.

☤ Results & Records 24-7

☤ User-friendly Interface

Stay Connected & Informed

- **Immediate Access and Accountability**
  We provide clients with full and immediate access to test status, test results and test records. Our clients always have the latest, up-to-the-minute data that they need to stay informed and make important decisions.

- **Convenient Record Keeping**
  The Data Dashboard is a convenient, user-friendly way for schools to track, manage and maintain test results.

- **Private and Secure**
  The Data Dashboard is private and can only be accessed with a client's official's passcode.

CITADEL DIAGNOSTICS

ENTRY PASS –

Test Passport for Venues & Events

Entry Pass can display test status or vaccination record on mobile devices via a QR code. It's a simple and effective way to maintain compliance at schools, work, venues and events.

Immediate Access

Instant Verification

Use Cases

- **Compliant Entrance / Admittance**
  Schools , employers, events and venues can now quickly check that people entering a location have the proper test or vaccine status to be in compliance with current regulations and standards.

- **Convenient Record Keeping**
  Rather than carrying paper documents, this digital device solution is a convenient way for people to manage and present their records.

- **Private and Secure**
  The QR code is private and only located on the user's device, so it can't be lost, stolen or counterfeited.
