

Patient Disclosure for Care
180 Health Medical and Wellness Center/Meek Chiropractic

In full disclosure to our patients, both 180 Health Medical and Wellness Center and Meek Chiropractic are owned, operated and profited from by Dr Gary Meek DC.

There may be times during your care with one of these clinics, that the Nurse Practitioner at 180 Health he/she may recommend chiropractic services with your treatments. There may also be times our doctors of chiropractic recommend further evaluations which would require you to see a Nurse Practitioner. At any time, these recommendations occur, patients have the opportunity to see any medical professional in either clinic of Dr Gary Meek or use those recommendations to see a medical practitioner/chiropractor in a different facility of the patients' choice.

Patients are under no obligation to receive care with our medical providers at 180 Health or chiropractors at Meek Chiropractic. Our priority is that you, as the patient, get the best care and recommendations to improve your health no matter where you choose to receive treatment from those recommendations.

I, _____ have read the above disclaimer and understand I can chose treatment within clinics owned by Dr Gary Meek or take recommendations to received care by other medical professionals in another clinic.
