Airports

O'Hare Airport recoveries/drops will be charged as a transfer (\$0.04/lb. + fuel surcharge) with a \$300 cap (plus fuel surcharge), unless they MUST BE recovered/dropped before 12:00 or after 17:00, in which case a special transfer will be charged. Recovery attempts will incur a minimum charge, and drop attempts will incur the full charge.

Midway Airport recoveries/drops will be charged as a pickup/delivery, unless they MUST BE recovered/dropped before 12:00 or after 17:00, in which case a special pickup/delivery will be charged.

Waiting time is not included in these rates.

Guaranteed Service

All deliveries requiring a Forward Air Guaranteed Service recovery and same-day delivery will have a special added to the delivery portion of the shipment.

All pickups requiring a FA Guaranteed Service drop will be charged as a pickup and transfer (\$0.04/lb plus fuel surcharge) with a special added to the transfer portion of the shipment.

ORD Tradeshow Rates

These below rates only apply to the show end of the move and are only used for show-site, not advanced receiving/outbound.

Advanced receiving (GES, Freeman, etc.) will be rated per normal tariff plus waiting time.

If freight going into or out of a show is a local pickup or delivery, that price will be added onto the show rate.

Drops to linehauls after show-site pickup are included in the rate. Airport drops/recoveries are NOT included and will be rated per above airport rates.

For IND or MKE tradeshow projects, please call or email for quote.

\$0.145 per pound all in
