Bible Reading Plan

Thanks for joining with us as we read scripture together this year! We believe that reading, praying and living the scriptures are vital to our spirit and are the “main course” of feeding ourselves spiritually. As you read, be attentive. In order to do that, we suggest the S.O.A.P. method of reading and journaling what the Lord is impressing upon you.

This approach to reading, praying and living the scriptures comes from the Zúme Project Guidebook.* The S.O.A.P.S. Bible Reading format consists of the following:

- **Scripture:** Write out one or more verses than are particularly meaningful to you, today.
- **Observation:** Rewrite those verses or key points in your own words to better understand.
- **Application:** Think about what it means to obey these commands in your own life.
- **Prayer:** Write out a prayer telling God what you’ve learned and how you plan to obey.
- **Sharing:** Ask God who He wants you to share with about what you’ve learned / applied.

You may choose to read five days a week reading only the NT portions of the plan. You will read the entire NT in one year that way. If you choose to read all seven days, you will read the NT and several themes of the OT history, law and wisdom literature.

Thanks for choosing to read, pray and live the Bible with us!
