

You were an amazing husband,
father, grandfather, forever our rock.
Heroes get remembered...

Legends Never Die

Kerry's family are so grateful that you could be here today,
and for the many ways in which you have shown them support.

They warmly invite you to join them for refreshments,
fellowship and sharing of memories here at
the Allambie Centre at the conclusion of this service.

Thank you too, for your kind donation to
SIDS & Kids Tasmania
in memory of Kerry.

The Way It Is My World

Mostly people don't understand my new world,
My new mind.

Rationality is hampered and delayed

Impulsiveness is out of control and thought has no other track
than immediate speech if not it is lost.

Depression is always hovering and is difficult to control.

Management of money is disastrous.

Suicide is not an option.

Truth has a direct path to speech and can be hurtful to others.

Forgetfulness is present at all times, tools have gone,
didn't shave today, forgot my medication.

Tiredness is a real battle, just can't stay awake.

Energy has gone and spirit broken.

Learn today, gone tomorrow.

Confidence is low.

Shopping is frightening.

Crowds (4 or more) unnerve and disorientate me.

My space is very important to me and if invaded
I feel threatened.

Yesterday has gone, tomorrow does not matter,
Maybe one day normality will prevail.

Family and friends appear to understand my new life,
my new mind, but do they really understand
The uncomplicated simple quiet lifestyle I now require.

Gone Fishin'

I've finished life's chores assigned to me,
So put me on my boat and send me to sea.

Don't forget my fishing rod.

I've been invited to a spot where the fish are biting
And every day is a day to fish,
I will fill my heart with every wish.

Don't worry, or feel sad for me,
I'm fishin' with the Masters of the sea.

We will miss each other for a while,
But when you come, don't forget your smile.
It won't be long and you will see that we will be together,
Just you and me.

To everyone else that thinks of me,
Be happy as I head to sea.

If anyone else wonders why I'm missin'
Can you let them know,
That I've gone fishin'
