RETAIL-QUALITY-SERVICE-INNOVATION

ABOUT US

ATLANTA • LOS ANGELES • DALLAS • NEW YORK • CHICAGO

East West Embroidery has been the leader in headwear and apparel industry not only in quality, but in new unique styles. Our attention to fashion at affordable prices make us second to none. We continue to set market trends with a wide variety of materials, styles and construction features.

Quality, Service and Innovation have always been our goals. We believe you will find them not only in our selection of headwear, but in our friendly and knowledgeable staff as well. EWE has one of the largest inventories in America and can deliver the excellence you deserve.

At EWE, we have the ability to develop all products in house. Because we own our factories, we have a huge advantage over the competition. With the ability to customize production, we can accommodate each of our customer's needs. We have the resources that allow us to source the best retail quality products and deliver on time in order to exceed your customer's expectations.

Getting Started

Step 1

Choose A STYLE

All of our crown cuts provide ultimate comfort and fit. Choose from any of these shapes or profiles, relaxed or constructed fits for the base of your custom piece.

Step 2

Choose A FABRIC

Select a stock fabric and color from this catalogue or choose your own color with our "No Limits" dye options.

Step 3

Choose A BILL TREATMENT

All of our Pre-curved high density memory bills can be modified to display various custom bill treatments.

Step 4

Choose A DECORATION

At KC Caps we believe that decorations should not be taken lightly. We offer many types of embellishment techniques which can be combined to create a unique custom look.

Step 5

Choose A CLOSURE

From "Comfort Fit" elastic backs to Nu-Fit fitted or Hook & loop, there are many different types of closures which are available on our custom hats.

Step 6

Choose YOUR FINISH & DETAIL

Custom means detail... so why stop at just the shapes, fabrics, closures and decorations? Inside detailing and finishing complete your custom piece.
