Sahyadri Farms Post Harvest Care Limited.

QUALITY & FOOD SAFETY POLICY

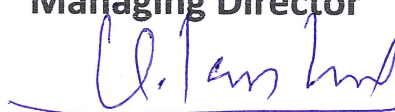

We at Sahyadri Farms Post Harvest Care Limited, are determined and committed to deliver the Quality, Safe, Authentic & Traceable Products as per the National and International Standards requirement.

To meet our commitment, we ensure

- To comply statutory, regulatory and mutually agreed requirements of the Customer.
- To procure excellent quality raw material and process & pack it in hygienic conditions with advance technology.
- Controlling the food safety hazards at the External Provider's level by approving the External Providers and checking the incoming raw and packaging material before use at factory.
- Food Safety Culture across the organization.
- Food Safety competence at all levels.
- Efficient utilization of all resources.
- Meeting customer expectations of required standards of the product along with on time delivery and at a competitive price.
- Effective Internal and External Communication.
- To review and communicate our Quality and Food Safety Policy to all levels within the organization and to all Interested Parties.

Continuous monitoring of the product & service quality and continual improvement are the integral part of our Food Safety Standards to gain and retain the trust of the Customers, External Providers and Employees.
