## ACTIVITIES THAT TEACH

First Impressions  
Effective Communication  
Collaboration  
Goal Setting  
And More!!

The Amazing Chase! Each day, Camper's "travel" to a new location, collaborating to help creatively solve community problems such as a city mayor being kidnapped, or a delivery truck failing to perform its duty. Campers work in varied teams throughout the week to learn more about their unique strengths and abilities as a leader, as well as how to interact with peers who may operate in a completely different way!
