25 Passenger Capacity

22" Ground Clearance

47" Tires

50-INCH WATER FORDING CAPABILITY - 4X4 & 6X6 MODELS

Acela Truck Company, manufacturer of North America's most capable trucks, now offers purpose-built High Water/Flood Rescue Trucks in both 4x4 and 6x6 variations of it's Monterra™ line of truck chassis. With 47-inch tires, 22-inches of ground clearance, and a proprietary 50-inch water fording capability, there is no other modern truck platform that can compete when it comes to reliable and safe operations in flood waters. Available models and customizable configurations can safely transport up to 28 seated passengers (incl. driver) with ample room and payload for pets, personal property and rescue gear. Monterra flood rescue trucks can be used for virtually any disaster response such as tornadoes, hurricanes, blizzards, and earthquakes, easily traveling over or through large debris, sand and mud or double as brush/wildland fire engines, Urban Search and Rescue (USAR) support vehicles, cargo haulers and SAR/SWAT team troop carriers, in any rural or urban environment. Monterras come standard with a bumper to bumper parts and labor warranty.
