

TREE REMOVAL

We specialize in Residential, Commercial and Municipal tree removals. We specialize in hazardous tree removal including dead ash, insect/and or pest damage trees, close quarter manual removals, and land/lot clearing.

TREE TRIMMING / PRUNING

All of our trimming complies with the latest ANSI A300 Pruning Standards and meets the professional expectations of The International Society of Arboriculture. This includes but is not limited to fine pruning, dead-wooding, canopy reductions from structures, crown reductions, preventative maintenance, beautification.

STUMP GRINDING

Fully equipped pull behind and self propelled stump grinding including full service grinding, chip clean up, grading, top soil application, seed and straw.

24 HOUR STORM RESPONSE

Day or Night if Mother Nature presents you with a problem let us be your solution. We have provided relief in all parts of the east coast including Hurricane Katrina, Irene, Super-storm Sandy, Winter-storm Gemini as well as local tornadoes, micro-bursts and storms.

CONSULTATION & DIAGNOSIS

Fully Certified Arborist on staff that has a passion for setting up tree inventories, diagnosing disease pathology, treatments and focusing on improving and enhancing the overall aesthetic appearance of our customers' properties.

HERBICIDE APPLICATIONS

We have several staff members licensed through the State of Ohio to apply EPA approved herbicides at a commercial level. This is very important to maintaining fence rows, right of ways, etc. We are skilled in low volume foliar application, stump control, and bare ground applications.

WHY CHOOSE ROGUE FOR YOUR TREE SERVICE?

We have dedicated ourselves to our customers, education and the industry of Arboriculture. This is why we work the hours we do. The gratification of a customer and a fellow community member is what keeps us pushing through those restless days. We refuse to be anything less than the apotheosis of the tree care industry.

**WE ARE FULLY INSURED,
LICENSED, AND BONDED.**

Rogue Tree Solutions was founded by two purpose driven friends who have a passion for arboriculture and a love for God, family and country. They treat their employees and customer's like family and strive to make an impact in their community. They undertake large and small municipal and commercial projects while never losing site of their original roots the residential work. One third of American's spend their life working. At Rogue that one third will require a little sweat and time but will result in a lot of appreciation and satisfaction doing something we love.

CLIENT REVIEWS

"Can't say enough great things about our experience working with Rogue. You saved our house! Will definitely tell our friends and neighbors about your service. Thank you!

- Satisfied Rogue Customer

"I had Rogue Tree Solutions take out a tree and grind a bunch of stumps and couldn't be happier with their service, work, communication and timeliness. I've worked with and around contractors for many years and these guys have set the bar higher than any contractor I've ever seen! If I could give ten stars I would. Thank you again and I'll be sure to pass your name to everyone I know!
