

Raising the Bar of Leadership

Mikaela Kate Schaefer is passionate to see you and your business reach its full potential. As a leadership coach, she loves working with companies to see generations come together to increase communication and collaboration so that they may achieve their best.

A trainer, coach and speaker Mikaela Kate has invested 20+ years in developing men and women leaders from college-age and beyond. Her experience in ministry, leading multiple teams, and engaging in one-on-one development makes her highly qualified to coach teams and individuals to help achieve their personal and professional goals. More recently, she has worked in the manufacturing, communications, and retail industry, the financial and legal sector, start-up businesses, and various independent sales teams.

A graduate of Iowa State University, she discovered her unique gift for strategic thinking, people development, and investing in the growth of teams. After graduating, she joined the college staff of Cornerstone Church in Ames, IA, where she served as the College Coordinator. Later these skills equipped her to help plant Veritas Church in Iowa City, IA, along with five other staff members.

From there, she moved to Sheffield, England, and worked as the Young Adult Director at St. Thomas Philadelphia, leading over 300 young adults. After returning to the United States, she became a Partner at DREAM Workplace to help companies grow their potential in each of their employees. Currently, she owns her own personal and professional coaching and training business (www.mikaelakate.com).

Mikaela lives in South Carolina, where she enjoys time on the beach with a good book and spoiling her four nieces and a nephew every chance she gets!

Also, Mikaela has published three books. The first is *Waking Up to Your Purpose: Recognizing God's Presence, Provision & Plan for Your Life*, the second is *Love Calling: Giving You Clarity, Confidence, and Conviction to Conquer Your Day* – a 365-day devotional, and the third is *Your Best Year Yet: A 52-week Journal to Challenge You to Reach Your Highest Potential*. All of which can be found on Amazon.
