

Experience a more complete sending solution

Simplify the way your office sends domestic and international parcels with Royal Mail and Parcelforce® Worldwide.

By integrating with the shipping label printer and the digital scale, the SendPro®+ solution makes it easy to weigh, compare service options, print shipping labels, track parcels and manage expenses online – for both carriers, all in one easy-to-use solution.

What's more, you'll save up to 75% on Parcelforce retail rates and take advantage of Royal Mail Delivery Confirmation service and preferential Mailmark™ pricing, with savings of up to 33.8% versus stamps.

- Track spend in real time through the machine's touchscreen or online via Your Account
- Eliminates trips to the post office
- Automatically save on postage by printing directly from the device or with SendPro® Online software
- Gain flexibility by enabling multiple departments to mail and ship

About ITDS Mailroom

ITDS Mailroom is the UK's fastest-growing independent supplier of office franking machines, folder inserters and mailroom solutions. As a Royal Mail accredited supplier, we are ideally placed to provide independent and impartial advice when it comes to business post and mailing solutions.

ITDS Mailroom offers a full print to post solution to businesses across the UK.

PRODUCT SPECIFICATION

Benefits

Accurate shipping

- Pay the right price for the services you select every time
- Integrated scales to accurately weigh, input dimensions (for large letters and parcels) and print accurate shipping labels
- Connect directly to supported carrier accounts for accurate rates
- Higher capacity scales (choose from 12kg or 35kg) available for weighing letters, large letters and even larger parcels

Easy to use

- Print labels to an integrated printer
- Weigh envelopes, large letters and parcels on the integrated scale
- Print and seal letters at up to 65 items per minute

Track parcels and control costs

- Consolidate your tracking information onto a single platform
- View and print one consolidated report of all parcels shipped
- Respond quickly to inquiries with access to detailed reports

One address list to do it all

- Select addresses from one list for all carrier shipments
- Easily upload contact lists or add new contacts as needed
- You can include email addresses for automatic tracking notifications on deliveries

Simplify and save

- Know how much you are paying before you ship
- See all your carrier's service options and pricing on one easy-to-read screen
- Ship and track from any desktop computer
- Secure sign-in with access to all shipments. See recent or view your history
- Enable additional users to ship, track or manage costs from their computer
- Maximise savings by creating best practice shipping processes
