DM60™ Small Office Series

Rapid, reliable and with full reporting

Track your spend, track your savings.

Get more from your mail.

More accuracy, more appeal, more savings and more insight. A built-in scale gives the exact postage every time, providing you with the convenience, efficiency and savings you expect from franked mail. And, with InView™, you also get accurate reports.

ITDS Mailroom offers a full print to post solution to businesses across the UK.

About ITDS Mailroom

ITDS Mailroom is the UK's fastest-growing independent supplier of office franking machines, folder inserters and mailroom solutions. As a Royal Mail accredited supplier, we are ideally placed to provide independent and impartial advice when it comes to business post and mailing solutions.

Benefits

Another pair of hands

- 24-hour franking, no more Post Office queues
- Print on all sizes of envelope
- Automate accounting for up to 10 departments
- See data online
- Time- and date-stamp incoming mail
- Refill postage with one call

A nose for a deal

- Integrated scale, never guess or overpay again
- Mailmark guaranteed lowest prices from Royal Mail
- Access UK and overseas postal rates instantly
- Postage funds secured via PIN

A creative brain

- Advertise your business on every letter
- Create your own graphics or download designs
- Print your own envelopes. Add personalised promotional messages

An eye on costs

- Web-based accounting feature lets you run reports wherever you are
- Break down by class and format
- Simple graphical analysis of your spend. Automated tariff updates. Elimination of inefficiency and waste

Stay connected

- No need for an analogue phone line
- Connect to your network for "always-on" working
- Get updates instantly
- Use your computer, tablet or phone

More discounts

- The DM60™ franking machine automatically uses Royal Mail's 'Mailmark' service. This applies up-to-date discounts to your mail as you frank. No need to go searching for the best deals or double-check anything – it all just happens
