To Whom it May Concern,

I would like to express my sincere gratitude to Dean Sikes for speaking at our Middle School and High School chapels last week.

Dean is gracious, funny, engaging, and poignant as he discusses real life issues that our students deal with. His talk led to great discussions in our small discipleship groups later that day.

I believe that Dean's ministry has and will continue to save lives and direct students to seek help from those they trust.

I am amazed at the drive and continuous willingness to build into students and organizations across the country.

Mr. Sikes, thank you for your time and your commitment to the youth of today, that will lead tomorrow.

Blessings to you!
