Application questions
Eligibility

Before you start your submission, please answer the following four filter questions. If you answer no to one of the following questions, it may not be worth your time to submit a full application. After the filter questions, we ask you to answer 13 short questions about your initiative.

1. The initiative focuses on generating value for society-at-large, not on developing intellectual property for the applying organisation.
   a. Blueprint projects are intended as an initiative that helps push the sector forward, rather than increasing the competitive advantage of a single organisation.

2. The initiative targets one or more of challenge the challenges described in the 2023 Open Call by the Circular Buildings Coalition
   a. see: https://www.circularbuildingscoalition.org/resources

3. The initiative is designed to be replicated / built upon / possibly be taken-up by others.

4. The applicant is a registered organisation in Europe.
   a. Europe here means UK 27 + UK + Norway + Switzerland
