Copado reserves all rights and/or interests not expressly granted to Customer in this Agreement.

3.5. Customer Responsibilities. Access to the Services may be subject to usage limits specified in Order Forms or Documentation. Sharing User credentials across multiple individuals is strictly prohibited. If Customer exceeds a contractual usage limit, Copado may work with Customer to seek to reduce Customer’s usage so that it conforms to that limit. If, notwithstanding Copado’s efforts, Customer is unable or unwilling to abide by a usage limit, Customer will execute an Order Form for additional quantities of the applicable subscription promptly upon Copado’s request or pay any invoice for excess usage in accordance with Section 2 above. Customer acknowledges that Copado support is only available for the latest two major releases of the Services.

4.Warranties

4.1 Limited Warranty. Copado warrants that during the applicable Order Form term: (i) the Services shall perform materially in accordance with its Documentation and the Agreement, (ii) the functionality of the Services will not be materially decreased during a subscription term as specified in the Order Form, and (iii) the Services shall be performed in a professional and workmanlike manner. For purposes of this Section 4 (Limited Warranty), “Services” shall not include items that Customer has elected to use on a no charge or evaluation basis. In the event Customer notifies Copado of a breach of warranty, Copado shall either (a) correct the non-conforming Services at no additional charge to the Customer; or (b) if Copado is unable to correct such deficiencies after good-faith efforts, Customer may terminate the applicable subscription and shall be entitled to a pro-rata refund of any unused and prepaid fees for the defective subscription (to be paid to Customer’s designated payor in an Order Form). The remedies set forth in this subsection shall be Customer’s sole remedy and Copado’s sole liability for a breach of these warranties. EXCEPT FOR THE FOREGOING WARRANTY, ALL SERVICES ARE PROVIDED “AS IS” AND COPADO EXPRESSLY DISCLAIMS ANY AND ALL OTHER WARRANTIES OF ANY KIND OR NATURE, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY, AND FITNESS FOR A PARTICULAR PURPOSE.

4.2 Mutual Warranty. Each party represents and warrants that it (i) has validly entered into this Agreement and has the legal power to do so and (ii) shall comply with all applicable local, state, national, international, or foreign law or regulation in connection with its performance under this Agreement.

5. Limitation of Liability. TO THE MAXIMUM EXTENT PERMITTED BY LAW, NEITHER PARTY WILL BE LIABLE FOR ANY LOSS OF USE, INTERRUPTION OF BUSINESS, LOST PROFITS, OR ANY INDIRECT, PUNITIVE, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES OF ANY KIND REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT PRODUCT LIABILITY, OR OTHERWISE, EVEN IF IT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EXCEPT FOR DAMAGES CAUSED BY GROSS NEGLIGENCE, WILLFUL MISCONDUCT, OR FRAUD, OR INDEMNIFICATION OBLIGATIONS, IN NO EVENT SHALL EITHER PARTY'S AGGREGATE LIABILITY EXCEED THE AMOUNT PAID OR PAYABLE BY CUSTOMER OR ITS DESIGNATED PAYOR FOR THE SERVICES GIVING RISE TO THE LIABILITY IN THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM. THE PARTIES AGREE THAT THE LIMITATIONS SPECIFIED IN THIS SECTION 5 WILL APPLY EVEN IF ANY LIMITED REMEDY SPECIFIED IN THIS AGREEMENT IS FOUND TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. THE FOREGOING LIMITATION OF LIABILITY DOES NOT APPLY TO CUSTOMER'S UNAUTHORIZED USE OF THE SERVICES OR ITS PAYOR'S PAYMENT OBLIGATIONS IN AN ORDER FORM OR OTHER ORDERING DOCUMENT.

6. Mutual Indemnification.

6.1. Indemnification by Copado. Copado shall defend Customer against any claim, demand, suit, or proceeding made or brought against Customer by a third party alleging that the use of the Services as permitted hereunder infringes or misappropriates the intellectual property rights of a third party (a "Claim Against Customer"), and shall indemnify Customer for any damages, attorney fees, and costs finally awarded against Customer as a result of, and for the amounts paid by Customer under a judgment, or court approved settlement of, a Claim Against Customer; provided that Customer (a) promptly gives Copado written notice of the Claim Against Customer; (b) gives Copado sole control of the defense and settlement of the Claim Against Customer (provided that Copado may not settle any Claim Against Customer unless the settlement unconditionally releases Customer of all liability); and (c) provides to Copado all reasonable assistance, at Copado's expense. In the event of a Claim Against Customer, or if Copado reasonably believes the Services may infringe or misappropriate a third party's intellectual property rights, Copado may, in its sole discretion and at no cost to Customer: (i) modify the Services so that they no longer infringe or misappropriate, which shall not be considered a breach of this Agreement, (ii) obtain a license for continued use of the Services in accordance with this Agreement, or (iii) terminate access for such Services upon thirty (30) days written notice and refund to Customer any prepaid fees covering the remainder of the term of such subscriptions after the effective date of such termination. Copado shall have no liability or obligation hereunder with respect to any claim based upon (a) use of any Services in violation of the Acceptable Use Policy or Documentation; (b) modifications, alterations, combinations or enhancements of the Services not created by or for Copado; (c) Customer's continuing allegedly infringing activity after being notified thereof, or its continuing use of any version after being provided modifications that would have avoided the alleged infringement; or (d) any intellectual property right in which Customer or any Customer Affiliates has an interest.

6.2. Indemnification by Customer. Customer will defend Copado and its Affiliates against any claim, demand, suit, or proceeding made or brought against Copado by a third party (a) alleging that the combination of a third-party application or configuration provided by Customer and used with the Services, infringes or misappropriates such third party's intellectual property rights, or (b) arising from Customer's use of the Services in an unlawful manner or in violation of the Agreement (each a "Claim Against Copado"), and shall indemnify Copado for any damages, attorney fees and costs finally awarded against Copado as a result of, or for any amounts paid by Copado under a judgment, or court-approved settlement of, a Claim Against Copado; provided that Copado (a) promptly gives Customer written notice of the Claim Against Copado; (b) gives Customer sole control of the defense and settlement of the Claim Against Copado (provided that Customer may not settle any Claim Against Copado unless the settlement unconditionally releases Copado of all liability); and (c) provides to Customer all reasonable assistance at Customer's expense.

This Section 6 (Mutual Indemnification) states the indemnifying party's sole liability to, and the indemnified party's exclusive remedy against, the other party for any type of claim described in this Section.

7. Confidential Information. Each party agrees that all code, inventions, know-how, business, technical and financial information it obtains ("Receiving Party") from the disclosing party ("Disclosing Party") constitutes the confidential information of the Disclosing Party ("Confidential Information"), provided that it is identified as confidential at the time of disclosure or should be reasonably known by the Receiving Party to be Confidential Information due to the nature of the information disclosed and the circumstances surrounding the disclosure. The Services and any updates, upgrades, modifications, derivatives, specifications, technical guides, other software, or other documentation provided by Copado (or its agents) shall be deemed Confidential Information of Copado without any marking or future designation. Except as expressly authorized herein, the Receiving Party will hold in confidence and not use or disclose any Confidential Information. The Receiving Party's nondisclosure obligation shall not apply to information which the Receiving Party can document: (i) was rightfully in its possession or known to it prior to receipt of the Confidential Information; (ii) is or has become public knowledge through no fault of the Receiving Party; (iii) is rightfully obtained by the Receiving Party from a third party without breach of any confidentiality obligation; (iv) is independently developed by employees of the Receiving Party who had no access to such information; or (v) is required to be disclosed pursuant to the regulation, law, or court order (but only to the minimum extent required to comply with such regulation or order and with advance notice to the Disclosing Party). The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone may not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party the Disclosing Party shall be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law. Upon termination or expiration of this Agreement, if Copado is in possession of any Customer Materials, Copado shall delete, return, or make available to Customer all Customer Materials then in its possession. Upon request by Customer within thirty (30) days after any expiration or termination of the applicable Order Form, Copado will either make Customer Materials available to Customer through the Services on a limited basis solely for the purposes of data retrieval or will reasonably assist Customer with such retrieval. After such thirty (30) day period, Copado will have no obligation to maintain or provide any Customer Materials and, unless legally prohibited, may delete all Customer Materials. Customer acknowledges that certain Copado Services do not store or maintain Customer Materials.

8. Export. Customer acknowledges that the Services may be subject to export restrictions by the US government and import restrictions by certain foreign governments. Customer shall not remove or export from the US or allow the export or re-export of any part of the Services in violation of any US export law or regulation to a US-embargoed country. Customer warrants that it is not named on any US government denied-party list.

9. Survival. Sections 3 (Access and Ownership), 5 (Limitation of Liability), 6 (Indemnification), 7 (Confidential Information), 8 (Export), 9 (Survival), 10 (Third Party Websites), 11 (Assignment) and 12 (Miscellaneous) and any other provisions which by their nature and intent should survive the expiration or termination of this Agreement shall survive the expiration or termination of this Agreement.

10. Third Party Websites/Non-Copado Applications. If Services are used to access the website content of, correspond with, and purchase products and services from, third parties via third-party websites then Customer does so solely at its own risk. Copado makes no representation or commitment and shall have no liability or obligation whatsoever in relation to the content or use of, or correspondence with, any such third-party website, or any transactions completed, and any contract entered by the Customer, with any such third-party. Copado does not endorse or approve any third-party website nor the content of any of the third-party website made available via the Services. Copado Labs or third parties may make available (for example, through a DevOps Exchange or app store) third-party products and/or services, including integrations, extensions, templates, or functions ("Non-Copado Applications"). Any download or use of Non-Copado Applications by Customer is at the Customer's sole risk and liability, and Copado does not warrant nor support Non-Copado Applications, products, or services. For purposes of clarity, integrations, extensions, templates, or functions published and/or provided by Copado (excluding Copado Labs) are supported by Copado, Inc. and governed by the terms of this Agreement.

11. Assignment. Neither party shall assign this Agreement without the written consent of the other party, except that either party may assign this Agreement to an Affiliate or in connection with a merger, reorganization, acquisition or other transfer of all or part of the party's assets or voting securities. This Agreement will bind and inure to the benefit of each party's permitted successors and assigns.

12. Miscellaneous. The parties are independent contractors. This Agreement does not create a partnership, joint venture, agency, fiduciary, or employment relationship between the parties. There are no third-party beneficiaries to this Agreement. Neither party shall make any commitment by contract or otherwise, binding upon the other or represent that it has any authority to do so. Any notice, report, approval, or consent required or permitted under this Agreement will be to the address specified in the applicable Order Form. Any waiver by either party of any breach of this Agreement, whether express or implied, will not constitute a waiver of any other subsequent breach. No provision of the Agreement will be waived by any act, omission or knowledge of a party or its agents or employees except by an instrument in writing expressly waiving such provision and signed by a duly authorized officer of the waiving party. Both parties may reference this partnership in marketing materials. Both parties shall comply with any applicable anti-corruption, anti-bribery, anti-money laundering, and sanction laws. If any provision of this Agreement is adjudged by any court of competent jurisdiction to be unenforceable or invalid, that provision will be limited or eliminated to the minimum extent necessary so that this Agreement will otherwise remain in full force and effect. Neither party shall be liable to the other for any delay or failure to perform any obligation under this Agreement (except for a failure to pay fees) if the delay or failure is due to events which are beyond the reasonable control of such party, including not limited to any strike, blockade, war, act of terrorism, riot, natural disaster, failure or diminishment of power or of telecommunications or data networks or services, or refusal of approval or a license by a government agency. This Agreement shall be deemed to have been made in and shall be construed in accordance with the table set forth in Exhibit 1. The jurisdictions and venue for actions related to this Agreement shall be as set forth in the table in Exhibit 1 and both parties hereby submit to the personal jurisdiction of such courts. The United Nations Convention on Contracts for the International Sale of Good and any conflicts of law principles will not apply. Copado may monitor Customer's use of Services to verify compliance with usage metrics and the Agreement and to compile anonymized metrics on usage for the purpose of improving the Services. Any waivers or amendments shall be effective only if made in writing signed by a representative of the respective parties authorized to bind the parties. No provisions of any purchase order (excluding the Order Form) or other Customer order documentation will supersede the terms and conditions of this Agreement, and any such document shall be for administrative purposes only and shall have no legal effect. Notwithstanding any language to the contrary therein, in the event of any conflict or inconsistency among the following documents, the order of precedence shall be: (1) Order Form (or scope of services for Professional Services), (2) any exhibit, schedule, or addendum to this Agreement, and (3) this Agreement. Both parties agree that this Agreement is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement.

13. Professional Services Addendum. If Professional Services are listed as a line item in an Order Form, the parties agree that the terms of the Professional Services Addendum (<https://www.copado.com/company-legal-agreements>) shall apply and are hereby incorporated into the Agreement.
