

Market Announcement

27 November 2017, Vista Group International Limited, Auckland, New Zealand

Vista Group Share Split Completed

Vista Group International Limited (VGL) can confirm that the share split previously announced to the markets on 10 November 2017 has been completed. Every one share held on 24 November 2017 was split into two shares.

As a result of the share split, the number of shares on issue in VGL are now:

- Total ordinary shares 164,756,926

Shareholders will receive a statement from VGL's share registrar, Link Market Services, within the next few days notifying them of their new shareholding.
