

## MARKET ANNOUNCEMENT

23 April 2015, Vista Group International Ltd, Auckland, New Zealand

---

### Vista Group appoints new Chief Financial Officer.

Vista Group International ("Vista Group") announces the appointment of Rodney Hyde to the role of Chief Financial Officer (CFO), effective July 2015.

The growing demands of Vista Group require significant focus from Brian Cadzow, who will become Director, Commercial and Legal, working on acquisitions, new market development, and the many other commercial aspects of Vista Group's global businesses. Mr Cadzow will also retain responsibility for investor relations.

Mr Hyde joins Vista Group from Orion Health, where he has been the CFO since 2011, overseeing significant revenue and employee growth, as well as the company's 2014 IPO. Prior to his role at Orion Health, Mr Hyde was CFO of Navico Inc. in the USA, the world's largest marine electronics company.

"I am very pleased to welcome Rodney to our executive team. He is an experienced CFO with a proven track record of running effective teams in fast growth environments. He will play an important role in the execution of Vista Group's global growth plan", said Vista Group Chief Executive, Murray Holdaway.
