7.11 **Freezes, Blocking or Closing Accounts Due to Irregular or Unlawful Activities.** You agree that if Utoppia, Synapse, and/or Partner Financial Institution suspect that any irregular, unauthorized, or unlawful activity may be occurring in connection with your Account, Utoppia, Synapse, and/or Partner Financial Institution may "freeze" or place a hold on the balance in such Account pending an investigation of such activities. If Utoppia, Synapse, or Partner Financial Institution freeze your Account, it will give any notice required under the circumstances by the laws governing the Account. If investigation confirms Utoppia's, Synapse's, or Partner Financial Institution's suspicions of irregular, unauthorized, or unlawful activity then, notwithstanding anything to the contrary in these Terms of Service, Utoppia, Synapse, and/or Partner Financial Institution may immediately close your Account, and may also close any or all other Accounts, if necessary, to comply with applicable law. You agree that Utoppia, Synapse, and Partner Financial Institution may also freeze, block, or close your Account as necessary in order to comply with regulations issued by the United States Department of Treasury's Office of Foreign Assets Control ("OFAC"), or other applicable U.S. laws or regulations.

7.12 **Authorized Users.** You are responsible for all authorized transactions initiated and fees incurred by use of any of your Account. If you permit another person to have access to your Account, we will treat this as if you have authorized such person to use the Account, and you will be liable for all transactions and fees incurred by such person, even if they exceed the authorization granted. Transactions will be considered unauthorized only after you notify us that the person is no longer authorized to use the Account. You are wholly responsible for the use of your Account according to the terms and conditions of these Terms of Service.

8. Funding and Withdrawing from your Account

8.1 **Deposits and Withdrawals.** You can make deposits and or withdrawals into and from your Account

using any of the methods and with the limits that are informed in the “TRANSACTIONAL LIMITS ANNEX”.

* Notwithstanding anything to the contrary in the Synapse Brokerage LLC Account Agreement, the limits included here are the lowest limits allowed for transactions. However, Utoppia reserves the right to allow you to transact higher volume than the limits defined herein at any time without prior notice. In certain cases, for security reasons, Utoppia may lower your limits upon notice to you at the time you attempt to initiate a transaction. Utoppia reserves the right to cancel or suspend transactions due to fraud or compliance related concerns.

8.2 **Deposits into the Account.**

8.2.1 **Direct Deposits.** Your Account number and bank routing number may be used for the purpose of initiating direct deposits to your Account. The recipient’s name on any direct deposit(s) Synapse receives must match your name. Any direct deposits received in a name other than the name registered to the Account will be returned to the originator. If your Account number changes you must immediately notify your employer or any other payors. You must provide them with the new Account number to ensure that your direct deposit activity continues uninterrupted.

8.2.2 **No Deposits in Cash, Paper Checks or Foreign Currency.** Synapse will only accept funds deposited electronically through the Mobile App. Utoppia, Synapse, and Partner Financial Institution are not liable for any deposits, including cash, lost in the mail, lost in transit, or not received by us. Utoppia does not accept deposits in cash, personal checks, cashier’s checks, money orders or in foreign currency. Only deposits made in accordance with the terms of these Terms of Service will be accepted.

8.2.3 **Our Right to Charge Back Deposited Checks or Electronic Transfers.** If you receive an electronic transfer as provided in these Terms of Service and (i) the paying bank returns it to Partner Financial Institution unpaid; or (ii) the sending bank or the originator of an item demands that Partner Financial Institution return the item because it was unauthorized, sent to the wrong account number or procured by fraud, Partner Financial Institution may pay the return or demand, and subtract the funds from your Account. If Partner Financial Institution has reason to believe that any of the events in the previous sentence have occurred or may occur or that the item should not have been paid or may not be paid for any other reason, Partner Financial Institution may place a hold on the funds or move them to a non-customer account until Partner Financial Institution determines who is entitled to them.

8.2.4 **Right to Reject Any Deposit.** Us and/or Synapse through the Partner Financial Institution is under no obligation to accept any item, wire, electronic funds transfer, or other transaction for deposit to your Account or for collection, and we and/or Synapse through the Partner Financial Institution may refuse to cash or give value for any such item. We and/or Synapse through the Partner Financial Institution may restrict access to any deposit credited to your account that violates any laws of the United States, including but not limited to those giving rise to OFAC sanctions.

8.3 **Withdrawals from the Account.**

8.3.1 **No Overdrafts.** You are not permitted to overdraw your Account. If the available balance in your Account is not sufficient to cover any payment or withdrawal you have authorized, we and/or Synapse through the Partner Financial Institution may refuse to process the payment or withdrawal. If your Account balance becomes negative for any reason, you must make a deposit immediately to cover the negative balance. If your Account has a negative balance and you have another account with us and/or Synapse

through the Partner Financial Institution, we, Synapse and/or Partner Financial Institution reserve the right to exercise their right to set off. See [Section 8.3.2](#) for details. If your Account has a negative balance for sixty (60) calendar days or more, it will be closed. If you fail to pay the amount of any overdraft, we, Synapse and/or the Partner Financial Institution reserves the right to refer your overdrawn account to an attorney for collection, and you agree to pay all reasonable expenses, including, but not limited to, reasonable attorney's fees and court costs incurred by us, Synapse and/or the Partner Financial Institution as a result of your account being overdrawn.

8.3.2 Right to Set Off. If your Account balance becomes and remains negative, we and/or Synapse through the Partner Financial Institution can use the funds in any of your accounts with Synapse through the Partner Financial Institution to repay the negative balance in your Account without any further notice to or demand on you. Moreover, we, Synapse and/or the Partner Financial Institution has the right to set-off any liability, direct or contingent, past, present or future that you owe against any account you have with us, Synapse and/or the Partner Financial Institution. Further, you grant us and Synapse through the Partner Financial Institution a lien on and security interest in the funds on deposit in each of your account(s) as security for all of your liabilities and obligations to us, Synapse or the Partner Financial Institution, now or in the future.

9. General Funds Availability

9.1 Availability. Synapse makes funds available according to the type of deposit and when the funds are applied or credited to your Account as provided in the Synapse Brokerage LLC Account Agreement and [Synapse Terms of Service](#). Some types of deposits may not be available for immediate use. When Synapse delays the availability of funds or place a hold on a deposit made to your Account, you may not withdraw those funds, and Synapse through the Partner Financial Institution will not use them to pay any debits, such as ACH transfers or payments, check payments or, if available, transactions using your debit card during the hold period. Synapse through the Partner Financial Institution has the right to refuse any deposit. If final payment is not received on any item you have deposited into your Account, or if any direct deposit or ACH transfer is returned to Synapse through the Partner Financial Institution for any reason, you agree to pay Synapse through the Partner Financial Institution the amount of the returned item. The length of the delay in the availability of funds will vary depending on the type of deposit.

9.2 Business Days. The length of the delay in the availability of funds is counted in business days from the day your deposit is applied to your Account. For purposes of these disclosures, our business days are Monday through Friday; U.S. Federal holidays are not included. Deposits received after the cut-off times provided in these Terms of Service or on a day us, Synapse and/or the Partner Financial Institution are not open will be processed the following business day that us, Synapse and/or the Partner Financial Institution are open.

9.3 Same Day Availability. Funds received from preauthorized electronic payments will be available on the day the deposit is applied to your Account. ACH Credits received from an external bank account will be applied to the Account when Synapse through the Partner Financial Institutions has verified the external account and received payment on collected funds. Once the funds are applied to the Account, they will have same day availability.

9.4 Longer Availability. Electronic transfers depositing into the Account initiated through Utoppia may take up to five (5) business days from the date of the initial request but will post on the payment date of the deposit once the money has reached the Partner Financial Institution

10. Electronic Funds Transfer Disclosures.

10.1 **Electronic Transfers via ACH.** You may originate transfers to and from your Account via ACH as provided in Section 8 of these Terms of Service. You may only initiate electronic funds transfers via the Utoppia's Mobile App. You are solely responsible for the accuracy of the information contained in the payment order. The electronic transfer will be completed relying exclusively on the information provided by you. You must authorize Synapse through the Partner Financial Institution to execute payment orders on your behalf and to debit your Account specified in the payment order for the amount of the electronic funds transfer.

10.1.1 **Security Procedures.** You will be required to use a Two-Factor Authentication control, in addition to your login, to authorize an electronic funds transfer. You agree that this control is an appropriate security procedure designed to verify the authenticity of the order and is not to detect errors in transmission.

10.1.2 **Limits on ACH Transactions. Cut-off Time.** The cut-off time for scheduling an international wire transfer is 10:00 AM PST for next day ACH transfers. The cut-off time for scheduling domestic same day ACH transfers (if enabled on your Account) is 9:00 A.M. PST. Any wire transfer scheduled after the cut-off time will be treated as if it were scheduled on the next business day. In some circumstances, transactions may be delayed for risk or compliance reasons.

10.1.3 **No Cancellation**. All electronic funds transfer requests are final and are not subject to recall orders or stop payments.

10.2 **Electronic Transfers Using Your Account Number.** You may authorize a third-party to transfer funds to and from your Account by providing your account number and your routing number to such third-party. Your account information should only be provided to trusted third-parties authorized to initiate the electronic funds transfers.

10.3 **Debit Cards and ATM Services.** You may obtain a debit card that can be used for purchases on points of sales and/or withdrawals at ATMs. The use of your debit card to initiate electronic transfers is subject to the term and conditions of Synapse Brokerage LLC Account Agreement.

10.4 **Types of Electronic Transfers Available.**

10.4.1 You may arrange with another party, such as your employer or a government agency, to electronically deposit funds on a one-time or recurring basis directly to your Account.

10.4.2 You may arrange with another party to make one-time or recurring charges to your Account to make a utility payment or to pay other bills.

10.5 **Limitations on Transfers, Amounts and Frequency.** Your right to make electronic funds transfers is subject to the limits established in Section 8 of these Terms of Service.

10.6 **Right to Receive Documentation of Electronic Funds Transfers.** Your electronic funds transfers will be reflected on the statements that will be delivered to you through Utoppia's Mobile App, as described in Section 6.4. You can also contact Utoppia, through WhatsApp +1 (650) 495-2468 or email at support@utoppia.com, to obtain information about any particular direct deposit or transfer.

10.7 **Your Liability for Unauthorized Electronic Fund Transfers.** You must contact Utoppia by

contacting us through WhatsApp at +1 (650) 495-2468 or emailing at support@utoppia.com if you believe your Account number was stolen or if you believe someone has transferred or may transfer money from your Account without permission. If your account number was stolen or if you believe someone has transferred or may transfer money from your Account without permission contact us immediately through Utoppia, at the number specified above.

10.7.1 If you notify us within two (2) business days after you learn of any unauthorized transaction, you can lose no more than \$50.00 if someone used your Account without your permission. If you do not notify us within two (2) business days after you learn of the loss or theft of your Account number and we can prove that Synapse through the Partner Financial Institution could have stopped someone from using your Account without your permission if you had promptly notified us, you could lose as much as \$500.00.

10.7.2 If you become aware of and/or your statement shows transactions that you did not make, notify us at once following the procedures stated in Section 10.8 "Errors and Disputes." If you do not notify us within sixty (60) days after (i) you become aware of the transaction(s) and/or (ii) the statement was made available to you, you may not get back any of the value you lost after the sixty (60) days if Synapse through the Partner Financial Institution can prove that Synapse through the Partner Financial Institution could have stopped someone from taking value if you had notified us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods at our sole and absolute discretion. After receiving notice from you of such an event, Utoppia and Synapse will close Account to keep losses down and issue you a new Account number.

10.7.3 If your Account number changes, you must immediately notify your employer or any other payors or merchants. You must provide them with your new Account number to ensure that your direct deposit and/or payments activity continues uninterrupted.

10.7.4 If you furnish your access device and grant actual authority to make transfers to someone who then exceeds that authority, you will be liable for the transfers the person makes unless we have been notified that transfers by that person are no longer authorized. If you claim a credit or refund because of a forgery, alteration, or any other unauthorized withdrawal, you agree to cooperate with us, Synapse, and/or Partner Financial Institution in the investigation of the loss, including giving us, Synapse, and/or Partner Financial Institution an affidavit containing whatever reasonable information us, Synapse, and/or Partner Financial Institution require concerning your Account, the transaction, and the circumstances surrounding the loss. You will notify law enforcement authorities of any criminal act related to the claim of lost, missing, or stolen checks or unauthorized withdrawals. We, Synapse, and/or Partner will have a reasonable period of time to investigate the facts and circumstances surrounding any claim of loss. Unless Utoppia, Synapse, or Partner Financial Institution have acted in bad faith, Utoppia, Synapse, or Partner Financial Institution, as the case may be, will not be liable for any special or consequential damages, including loss of profits or opportunity, or for attorneys' fees incurred by you. You agree that you will not waive any rights you have to recover your loss against anyone who is obligated to repay, insure, or otherwise reimburse you for your loss. You will pursue your rights or, at Utoppia's, Synapse's, or Partner Financial Institution's option, assign them to us so that we may pursue them. Utoppia's, Synapse's, or Partner Financial Institution's liability will be reduced by the amount you recover or are entitled to recover from these other sources. Concerning each item you deposit with Synapse through the Mobile App, you make the following warranties to us whether

Partner Financial Institution is the payor bank or depository bank: all necessary signatures and endorsements have been placed on the time and are genuine, the item has not been materially altered and you have good title to it, and no defense of any party to the item is good against you. If any such warranty is breached, Synapse through the Partner Financial Institution may deduct the amount of the item from any of your accounts or otherwise collect from you this amount plus expenses.

10.8 Errors and Disputes. If you think your statement is wrong or if you need more information about a transaction listed on it, please contact Utoppia, through our WhatsApp number +1 (650) 495-2468 or emailing at support@utoppia.com. You must report any errors within sixty (60) days from the earlier of: (i) the date the statement was made available to you on the Mobile App or (ii) the date you access your Account and would have been able to see the error. You must provide the appropriate information for Utoppia to investigate the error or unauthorized transaction with Synapse through the Partner Financial Institution, including at least the date of the transaction and its amount. If you call Utoppia, we may request that you send your complaint or question in writing within ten (10) business days.

10.8.1 We will determine whether an error occurred within ten (10) business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to forty-five (45) days to investigate your complaint or question. If we decide to use this additional time, we will credit your Account for the amount you think is in error within ten (10) business days, so that you will have use of the money during the time it takes to complete the investigation.

10.8.2 If your Account was opened less than thirty (30) days before the date of the suspected error, we may extend the ten (10) business day period to twenty (20) business days before crediting your Account.

10.8.3 If your Account was opened less than thirty (30) days before the date of the suspected error, the error resulted from a point-of-sale debit card transaction or was initiated in a foreign country, we may extend the ten (10) business day period to ninety (90) days before crediting your Account.

10.8.4 If we ask you to put your complaint or question in writing and you do not provide it within ten (10) business days, we will not credit your Account.

10.8.5 You will be informed of the result of the investigation within three (3) business days after Synapse through the Partner Financial Institution's completion of the investigation. If we determine that there was no error, we will send you an explanation by email or by making it available via the Mobile App. Copies of the investigation documentation can be obtained by contacting us through WhatsApp at +1 (650) 495-2468 or emailing at support@utoppia.com.

10.9 Liability for Failure to Complete Transactions. If Synapse does not complete a transaction from your Account on time or in the correct amount, Synapse may be liable for your losses or damages solely as provided in the Synapse Brokerage LLC Account Agreement and Synapse Terms of Service. However, Synapse is not liable for any failed transaction if you do not have enough money in your balance to cover a transaction, if the ATM or device does not have enough cash or is not working properly, if circumstances beyond Synapse's control prevent the transaction, if the merchant requests authorization for an amount greater than the purchase amount, if access to your

Account or linked account has been blocked after you reported your Account number or linked account number lost or stolen, if there is a hold or your funds are subject to legal or administrative process or other encumbrance restricting their use, if Synapse has reason to believe the requested transaction is unauthorized, if Synapse has received incomplete or inaccurate information from the third-party payor or payee or if there are other exceptions stated in this agreement or as provided by law. Synapse is not liable for the failure to complete a transaction on a business account if Synapse, through Utoppia, sends you notice that the transaction was not completed.

11. General Rules Governing the Account

11.1 Assignment. Transfer. Non-Waiver. Applicable law. The Account may not be assigned. Utoppia, Synapse, and/or Partner Financial Institution may transfer their rights under these Terms of Service. Use of the Account is subject to applicable Federal laws and the laws of the State of California, and all applicable rules and customs of any clearinghouse or other association governing your Account or any transactions. If you or Utoppia, Synapse, and/or Partner Financial Institution excuse each other from complying with any part of these Terms of Service, this will not waive compliance by the excused party on any other occasion, notwithstanding the number of previous excusals or their duration. A party may not rely justifiably upon another's past forbearance to vary present or future rights, obligations or performance under these Terms of Service. If any provision of these Terms of Service is determined to be invalid, illegal or unenforceable for any reason, that provision shall not invalidate or render unenforceable any other provision of these Terms of Service.

11.2 Legal Processes Affecting Accounts. If Utoppia, Synapse, and/or Partner Financial Institution are served with a subpoena, government agency request for information, restraining order, writ of attachment or execution, levy, garnishment, search warrant, forfeiture or similar order or legal process relating to your Account (termed "legal action" in this section), regardless of the jurisdiction of the issuing authority, Utoppia, Synapse, and/or Partner Financial Institution may rely on the representations made in the legal action and comply with the legal action, regardless of the jurisdiction of the issuing authority or the location at which the legal action is received. In these cases, Utoppia, Synapse, and/or Partner Financial Institution will not have any liability to you if there are insufficient funds to pay your items because Partner Financial Institution has withdrawn funds from your Account after such funds are received by the Partner Financial Institution pursuant to the cash management services, or in any way restricted access to your funds in accordance with the legal action. If you believe your funds are exempt from legal action, or otherwise should not be subject to legal action (for example, if you own funds and the legal action applies to another joint owner, you believe the court, garnisher, or levying authority lacks jurisdiction over you or the property, or you believe the garnishment or levy names the wrong party as garnishee), you agree that it is your responsibility to raise any defense to the legal action against the party who originated the legal action, and you agree that we have no obligation to do so. Any fees or expenses Utoppia, Synapse, and/or Partner Financial Institution incur in responding to any legal action (including, without limitation, attorneys' fees and our internal expenses) may be charged against your Account. Unless expressly prohibited by law, we, Synapse, and/or Partner Financial Institution may charge your Account a fee for each legal action received, regardless of whether the action is subsequently revoked, vacated or released.

11.3 Abandoned or Inactive Accounts. Some states in the United States have unclaimed property laws that govern when accounts are considered abandoned. In this case, your account is usually considered abandoned if you have not made a deposit or withdrawal, or signed into your Account, for a specified period of time. In jurisdictions with unclaimed property laws, Utoppia, Synapse, and/or Partner Financial Institution are required by the unclaimed property laws to turn

over accounts considered abandoned to the applicable state. Before an abandoned account is turned over, Utoppia may send a notice to you by e-mail or the address on the account statement. Unless prohibited by law, Utoppia may charge to your Account costs and expenses of any notice, payment and turnover of the remaining balance of your Account to the applicable state. State law of where the Partner Financial Institution is located will apply on unclaimed or abandoned property related to the funds in your Account.

11.4 Standard of Care. Limitation of Liability. Utoppia's liability for losses you or any third-party may incur under any circumstance, in connection with your Account or the services set forth herein is limited to actual damages proved that are proximately caused by Utoppia's failure to exercise ordinary care. Nevertheless, if Synapse and/or Partner Financial Institution makes an error in your favor by excessively crediting or insufficiently debiting your account for any reason, including, without limitation, to the giving of cash or credit in excess of a corresponding account debit, you agree that you immediately owe Synapse and/or Partner Financial Institution as applicable the amount in error, whether you relied on the error or not. You agree to waive your rights to a jury and to punitive and exemplary damages and further agree to be subject to all parts of the arbitration provision in Section 11.11. Damages for any breach of these Terms of Service are limited to those that are direct and lie in contract, and will exclude indirect and consequential damages (including but not limited to damages, loss of profits, revenue, or goodwill). Also excluded are damages in tort (including negligence), or otherwise, and whether or not foreseeable, even if Utoppia, Synapse, and/or the Partner Financial Institution has been advised or was aware of the possibility of such loss or damages. Utoppia, Synapse, and/or the Partner Financial Institution will have no liability by reason of delays or interruptions of the Services or transmissions, or failures of performance of their respective systems, regardless of cause, including those caused by governmental or regulatory action, or those caused by software or hardware malfunctions. Utoppia and/or Partner Financial Institution will have no liability for acting on instructions from you accepted or interpreted by Utoppia and/or Partner Financial Institution in good faith according to the terms of these Terms of Service, declining to act on instructions whose authenticity or accuracy cannot be verified to Utoppia's and/or Partner Financial Institution's satisfaction, or not acting on instructions not actually received. You understand that Synapse and Partner Financial Institution's liability to you may be further limited as provided in applicable account agreements, terms of service and privacy policy.

11.4.1 Except as required by applicable law, we will have no liability to you if we are unable to complete a transaction for any reason beyond Utoppia's and/or Partner Financial Institution's control. Except as otherwise expressly provided in these Terms of Service or as otherwise required by applicable law, Utoppia and/or Partner Financial Institution, any Affiliates, and the parties with whom Utoppia and/or Partner Financial Institution and any Affiliates contract in order to offer your Account and related services are neither responsible nor liable for any indirect, incidental, consequential, special, exemplary, or punitive damages arising out of or relating in any way to your Account, any products or services purchased using the Account, or these Terms of Service (as well as any related or prior agreement you may have had with Utoppia and/or Partner Financial Institution).

11.5 Indemnification. You shall indemnify and defend Utoppia, Synapse, and/or Partner Financial Institution and their officers, directors, employees, agents, and representatives (the "Affiliates" and collectively with Utoppia, Synapse, and/or Partner Financial Institution, the "Indemnified Parties"), and hold each of them harmless, against any expenses, losses, costs, damages, liabilities, demands, debts, obligations, penalties, charges, claims, causes of action, penalties, fines and taxes of any kind or nature (including legal expenses and attorneys' fees) (whether known or unknown, absolute or contingent, liquidated or unliquidated, direct or indirect, due or to become due, accrued or not accrued, asserted or unasserted, related or not related to a third

party claim, or otherwise) (collectively, "Losses") by or with respect to any matters pertaining to the Account, arising directly or indirectly from your breach of your obligations under the Terms of Service or those arising from the instructions or actions of you or of third parties whom you have permitted to direct, manage, view or otherwise act or omit to act in connection with your Account. If Utoppia officers, directors, employees, agents or representatives are entitled to indemnification against a claim under these Terms of Service, they shall give you prompt notice of the claim and any further pleadings, communication or other information connected with it. You shall defend Utoppia, Synapse, and/or Partner Financial Institution, and their Affiliates, or pay for the cost of its defense, as they or their Affiliates shall elect. The parties shall cooperate for the cost-effective defense of the claim, and us and our Affiliates shall not settle any claim for which indemnification is demanded without your consent.

11.6 **No Warranty of Availability or Uninterrupted Use.** From time to time, services related to the Utoppia the Mobile App or the Account may be inoperative. When this happens, you may be unable to access Utoppia and related services, and you may be unable to use the Account or obtain information about the Account. Please notify Utoppia if you have any problems using the Account or Mobile App. You agree that Utoppia will not be responsible for temporary interruptions in service due to maintenance, website changes, or failures, nor shall Utoppia be liable for extended interruptions due to failures beyond Utoppia's control, including but not limited to the failure of interconnecting and operating systems, computer viruses, forces of nature, labor disputes and armed conflicts.

11.7 **Amendment and Cancellation.** Except as otherwise required by applicable law, Utoppia may amend or change the terms and conditions of these Terms of Service at any time by posting the amended Terms of Service on the Mobile App and any such amended Terms of Service will be effective upon such posting to the Mobile App. You will be notified of any amendment(s) with thirty (30) days' notice prior to the effective date of the amendment(s). However, if the amendment(s) is made for security purposes or your benefit, we may implement it without prior notice.

11.7.1 We may suspend or close your Account at any time. You suspend or close your Account by emailing support@utoppia.com. Your cancellation of your Account will not affect any of Utoppia's rights or your obligations per these Terms of Service prior to cancellation.

11.7.2 If your Account is canceled, closed or terminated for any reason, you may request the balance to be returned to an external account that you have maintained, including any linked external account. Allow at least fourteen (14) days for processing of such balance return. If Utoppia's offering is canceled, closed, or terminated, Utoppia shall send you prior notice, in accordance with applicable law. Specific information and instructions, including how to convert and receive any remaining Account balance, will be included in the notice.

Utoppia will also pay or reimburse you for all or part of other arbitration fees, if the arbitrator determines there is good reason to do so, and Utoppia will pay any fees and costs, which Utoppia is required to pay by law or by the rules and procedures of the Administrator. In addition, in the event that you receive an arbitration award that is greater than Utoppia's last written settlement offer, the arbitrator shall have the discretion to require us to pay your attorneys' fees and costs. Otherwise, each party will bear its own attorneys' fees and costs, regardless of who prevails.

Utoppia, Inc. and our affiliates or subsidiaries (collectively "Utoppia," "we," "us," or "our") is a platform that provides its Users with an Account provided by Software Provider through the Mobile App, as set forth in Utoppia's General Terms of Service.

1. **Description of Services:** Once you have set up an account using our Mobile App, as set forth in Utoppia's General Terms of Service (the "Account"), we will enable the Services for you to utilize as follows:
 - a. **Sending Funds:** As a party initiating a transfer ("Sender"), you will send funds to your selected recipient ("Recipient") by designating the Recipient and the transfer amount to us (a "Payment Instruction"). By initiating each Payment Instruction, you authorize us to debit your Account by the amount you specify, and to send those funds to your designated Recipient (a "P2P Payment") immediately upon your request. By submitting a Payment Instruction, you are also authorizing us to move funds to your applicable Account for P2P Payments that are canceled or otherwise returned. You understand and agree that when you initiate a P2P Payment Instruction, processing will begin, and funds will leave your Account as early as the moment you initiate the Payment Instruction. However, we will complete the transfer of funds to the Recipient once the Recipient has provided all required information. You hereby authorize and direct us to retain such funds until the earlier of such time as the Recipient has provided all required information or fifteen (15) days. We shall incur no liability if we are unable to complete a P2P Payment Instruction because of inaccurate or insufficient Payment Instructions, or the failure of the Recipient to claim the P2P Payment, or because either you or the Recipient

does not provide us with any information that we request, or we are unable to verify your identity or the identity of the Recipient to our satisfaction. We may deduct amounts owed to us, in whole or in part, from your Account and to the extent you owe us funds we may suspend your ability to use the Service until we are made whole.

- b. Requesting Funds: You may also request funds to be transferred to you through the Service by designating the amount of funds requested and your selected Sender (a “Cash Request”). If the Sender approves your Cash Request, your Cash Request will become the Sender’s Payment Instructions and be processed as described herein. Thereafter, upon receipt of the funds, we will transfer such funds to your Account.
- c. Payment Amount Limits: We will require you to provide us with additional identification information if you wish to send more than one thousand dollars (\$1,000) (in any one transaction or in multiple transactions) over any thirty (30) day period or to receive more than one thousand dollars (\$1,000) (in any one transaction or in multiple transactions) over any thirty (30) day period. Software Provider may impose other limits on the amount you can send in any one transaction or in multiple transactions over any seven (7) day period, subject to some restrictions. We may adjust these limits at any time at our discretion.
- d. Service Fees: There are currently no fees for sending funds via an Account using the Service. We reserve the right to charge for or change the fees associated with use of the Service at any time with reasonable notice, subject to the terms herein.
- e. Payment Cancellation, Stop Payment Requests and Refused Payments: Our ability to stop or cancel a P2P Payment Instruction depends on how the Payment Instruction was initiated, and whether the Payment Instruction has begun processing. We are not required to stop, cancel, or recover funds associated with a misdirected Payment Instruction. P2P Payments not claimed by a Recipient fifteen (15) days after the processing has begun will be canceled automatically. We will attempt to return any unclaimed, refused, refunded, prohibited, or denied P2P Payment to your Account. If we are not able to do so, we may use other reasonable means to return the P2P Payment to you, as permitted by applicable law.
- f. Invalid P2P Payments: If we believe you received a payment that should not have been made for some reason (for example, fraud), you give us permission to reverse that payment. The Service is a money transmission service. As a result, fraudulent transactions may result in the loss of funds with no recourse. We are not responsible for any payments that you receive, even if you don’t know who sent the payment. If you receive a P2P Payment and we later determine in our sole discretion that the P2P Payment was invalid for any reason, you hereby authorize us to move funds from the applicable Account in an amount equal to the P2P Payment. You acknowledge and agree that we will not be liable in any way for any P2P Payments that you may receive, regardless of whether you authorized the Sender to send them to you.
- g. Payment Quantity Limits: At any time Utoppia can limit the quantity of transactions that any individual customer can send or receive.

2. Eligibility: In addition to the eligibility requirements to open an Account as provided in Utoppia’s General Terms of Service, to utilize the Services, you must have an Account and provide us with your valid mobile number that you intend to use for an extended period of time (i.e., no “burner” numbers), and we will ask you to provide your mailing address. You may not enroll in the Service with a landline phone number, Google Voice number, or Voice over Internet Protocol. At any time while you are enrolled, we may contact you and/or take other steps to confirm that the mobile phone number that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the mobile phone

number, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Service. You further agree and warrant that you must immediately notify us if any mobile phone number you have enrolled is (i) surrendered by you, or (ii) changed by you.

3. Text Messages and Other Communications:

- a. By providing us with a mobile number, either when you sign up for an Account or update the contact information associated with your Account, you consent to receiving text (SMS) messages and push notifications from us. Such communications may include, but are not limited to requests for secondary authentication, receipts, reminders, notifications regarding updates to your account or account support, and marketing or promotional communications. You acknowledge that you are not required to consent to receive promotional texts or calls as a condition of using the Services. - b. If you provide us with the mobile number of any other person or entity when initiating or requesting a payment through the Service, either manually within the Mobile App or by sharing your list of contacts with the Mobile App, you represent and warrant to us that the person or entity has consented to receive text messages from us related to that payment. Standard text messaging rates may apply based on your plan with your mobile carrier.
- c. You may opt-out of receiving promotional email communications we send to you by following the unsubscribe options on such emails. You may opt-out of text messages from us by replying STOP or by changing your notification preferences in the app. You acknowledge that opting out of receiving communications may impact your use of the Services.
- d. By agreeing to use the Services, you expressly consent to authorize the Mobile App to inform other Users, that either search for you using the Mobile App or which you are in such User's list of contact shared by the User with the Mobile App, of your status as a User of the Services.

If you are reading these Bill Pay Terms of Service, that means you have created an account using the Mobile App and are going to use the Mobile App and services under these Terms of Service to request Bill Payments (the “Bill Payment Services”). By using Utoppia’s Bill Payment Services through our Mobile App, you agree to these Bill Pay Terms of Service of Utoppia (the “Terms of Service”), our Privacy Policy, all applicable laws and regulations, and agree that you are responsible for compliance with any and all applicable local laws which you may be subject to with respect to the Bill Payment Services. To the extent that any term of service is not expressly set forth herein, Utoppia’s General Terms of Service shall control. We may update these Terms of Service and/or the Privacy Policy from time to time and it is your responsibility to check for updates. We will provide updates as required by law. By continuing to use our services after these updates, you agree to the revised terms. To the extent these Terms of Service conflict with Utoppia’s General Terms of Service, these Terms of Service shall prevail. Capitalized terms not expressly defined herein shall have the meaning set forth in Utoppia’s General Terms of Service.

If you do not agree to these Terms of Service, you must not use our services or must immediately stop using our services, as the case may be, and we or you may need to terminate your Account.

For the Bill Payment Services, we partner with AUNTAPI LLC, a Delaware limited liability company, commonly known as “TAPI”, which offers a collection system on behalf of third parties through which it provides companies or institutions, currently located in Argentina, Chile, Colombia, Peru and Mexico (the “Billers”), and their users, a fast and effective alternative for the collection and payment, respectively, of the services provided by such Billers (such as bill payments of water, telephone, gas, energy, internet and certain educational related services (collectively the “Bill Payments”). In our partnership with TAPI, we integrated the TAPI software into our Mobile App to allow you and others who are enrolled with the Mobile App (each, a “User”) to have access to TAPI’s services which include (a) payment processing and collection of invoices or payment vouchers issued through TAPI’s intermediation; (b) capturing, recording and electronic transmission of payment information; (c) conciliation of the payments made; (d) transmission of the conciliated data and crediting of the funds collected; (e) purchase and sale of digital pins and subscriptions; and (f) making telephone recharges (collectively the “TAPI Services”)¹. You may view TAPI’s website which includes a description of the TAPI Services at <https://tapi.la>.

UTOPPIA IS ONLY AN INTERMEDIARY OF TAPI WHEREBY TAPI OFFERS THE TAPI SERVICES AND UTOPIA INTEGRATES SUCH TAPI SERVICES INTO THE MOBILE APP. AS SUCH, NEITHER UTOPIA OR ANY OF ITS AFFILIATES ARE RESPONSIBLE OR LIABLE FOR (I) THE ACCURACY OF THE INFORMATION RELATED TO THE TAPI SERVICES; (II) THE FUNCTIONALITY OF THE TAPI SERVICES; AND/OR (III) ANY DELAYS OR OTHER ACTS UNDER THE CONTROL OF TAPI AS THEY RELATE TO THE TAPI SERVICES.

¹ **Note to Utoppia: The TAPI Services were copied from the Commercial Alliance Agreement with TAPI that you provided us, however, it is not clear as to what these TAPI Services entail, as such, please provide us with explanatory language as to what these TAPI Services entail such that an end-user who reads such language can clearly understand what TAPI Services are offered.**

THE TAPI SERVICES ARE INTENDED ONLY TO SEND MONEY TO BILLERS WHOM YOU TRUST AND WHO ARE IN PARTNERSHIP WITH TAPI. YOU SHOULD NOT USE THE TAPI SERVICES TO SEND MONEY TO RECIPIENTS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST.

1. Description of Services: Once you have set up an account using our Mobile App, as set forth in Utoppia's General Terms of Service (the "Account"), we will enable the TAPI Services for you to utilize as follows:
 - a. Paying Bill Payments: As noted above, TAPI Services will be integrated within our Mobile App. To pay a Bill Payment to a Biller, you may click the "Bill Pay" button on the Mobile App and a prompt will ask you what type of Bill Payment you wish to make. If the Bill Payment you wish to make is associated with a Biller who is a contracting partner of TAPI, such Biller will appear on the list of Billers which will populate on the Mobile App. You may then select the Biller and Bill Payment and input your respective invoice number or other identifying information associated with the Bill Payment for such Biller. Thereafter the amount due for such Bill Payment will appear on the Mobile App (along with any fees imposed by TAPI for such TAPI Service). TAPI will convert the aforementioned amount from local currency into USD for your convenience. Through the Mobile App you may then initiate the payment instruction for the Bill Payment ("Payment Instruction") and thereby authorize us, through Synapse and its Partner Financial Institution (as defined in the General Terms of Service), to debit your Account by the amount you specify, and to send those funds to your designated Biller (a "TAPI Payment") immediately upon your request. By submitting a Payment Instruction, you are also authorizing us, through Synapse and its Partner Financial Institution, to move funds to your applicable Account for TAPI Payments that are canceled or otherwise returned. You understand and agree that when you initiate a Payment Instruction, processing will begin, and funds will leave your Account as early as the moment you initiate the Payment Instruction. However, the transfer of funds to TAPI for eventual payment to the Biller you selected will be completed within 24 hours of your Payment Instruction and thereafter TAPI will remit such payment to the Biller you selected within 48-72 hours thereafter. You hereby authorize and direct us, through Synapse and its Partner Financial Institution, to retain such funds until the earlier of such time as TAPI makes payment to your selected Biller or fifteen (15) days. We shall incur no liability if we, through Synapse and its Partner Financial Institution, are unable to complete a payment because of inaccurate or insufficient Payment Instructions, or the failure of the Biller to claim the TAPI Payment, or because either you do not provide us with any information that we request, or we are unable to verify your identity to our satisfaction. We may deduct amounts owed to us, in whole or in part, from your Account and to the extent you owe us funds we may suspend your ability to use the TAPI Services until we are made whole.
 - b. Service Fees: We currently do not impose fees on Users for sending funds via an Account using the TAPI Services; however, TAPI may impose their own processing fees which will be included in the amounts reflected in the Mobile App to be paid to the Biller in satisfaction of the TAPI Payment. We reserve the right to charge for or change the fees associated with use of the TAPI Services at any time with reasonable notice, subject to the terms herein.
 - c. Payment Cancellation, Stop Payment Requests and Refused Payments: Our ability to stop or cancel a Payment Instruction depends on how the Payment Instruction was initiated, and whether the Payment Instruction has begun processing. We are not required to stop, cancel, or recover funds associated with a misdirected Payment Instruction. TAPI Payments not claimed by a selected Biller within fifteen (15) days after the processing has begun will be canceled automatically. We will attempt to return any unclaimed, refused, refunded, prohibited, or denied TAPI Payment to your Account. If we are not able to do so, we may use other reasonable means to return the TAPI Payment to you, as permitted by applicable law.

2. Full compliance with what is detailed above will be called the "Process".

II. BENEFIT

- II.i. The "Benefit" is the prize that the Entity will deliver to the Referring Utoppians and to the successful Referrals (hereinafter jointly and/or individually called "Recipient(s)") who comply with all of the Referral Terms and Conditions provided herein.
- II.ii. Referring Utoppians will be rewarded with the sum of usd10 (ten american dollars) for each successful Referral that complies with the Process by registering with their Invitation Code.
- II.iii. Each successful Referral will be awarded with the sum of usd10 (ten american dollars) for the only time as a referral. At the time of account opening, the Entity will provide the potential successful Referral with their own Invitation Code, which they can share with their contacts to become a Utoppian Referrer and receive the benefit in that capacity in accordance with these Referral Terms and Conditions.
- II.iv. It will be an exclusive condition to receive the Benefit that each Beneficiary owns an active account opened through the App (the "Account") when the referral is made and when they are eligible to receive the Benefit. The Benefit will be credited to the Account within 30 days from the end of the Process. If for any reason the Account is no longer open when the Benefit is to be credited, the Referring Utoppian or the referred user (which in the case corresponds) will no longer be entitled to receive the Benefit and waives any payment of the Benefit. In such cases, users will not be considered successful Referrals, and consequently the Benefit will not be granted to them or their referrers.

III. ii. The Benefit will be granted solely and exclusively to the Utoppian Referral holder of the Invitation Code that the successful Referral registered at the time of registration. No Benefit or compensation of any kind will correspond to those who provided their Invitation Code to a contact, if the latter did not register it at the time of their Process, or if they were a successful Referral registering the invitation Code of another Utoppian Referrer, or if the code was entered with a typing error.

III. iii. The Utoppians may not require the Entity to reveal information about the Referrals that have been successful or not, nor about the invitation Codes used by them for their registration, nor any type of information other than that which is the responsibility of this Program. Any determination or calculation by the Entity will be final.

III. iv. Utoppians may provide their Invitation Code and refer as many contacts as they wish, however, the Entity will grant the Benefit for up to a maximum of 20 (twenty) successful Referrals for each Referring Utoppian, subject to the availability limit set forth in the clause iv.i. of these Referral Terms and Conditions. Nevertheless Utoppia may, at its discretion, modify the maximum number of Referrals.

The use of the Entity's trademarks to promote this referral program is also prohibited.

IV. VALIDITY

iv.i. The Program is effective from June 19th 2023, and will last for 30 days, or until the 10,000 (ten thousand) Benefits granted are exhausted, whichever occurs first. The term and quantity will be automatically renewed until Utoppia decides the opposite and informs it in the way detailed in this document.

iv.ii. The Entity reserves the right to extend the validity of this Program, and & or the cap limit of Benefits, for all or some of its participants, to change the terms and conditions at any time and without prior notice. The fact of participating in this Program implies the unrestricted and unappealable acceptance of its Terms and Conditions. The Entity may decide on any point or question that is not contemplated in these Terms and Conditions.

iv.iii. The Entity will communicate the modifications, suspension, extension and/or extinction of the Program by updating these Terms and Conditions that can be accessed at any time by consulting the Legal section within the App or web page www.utoppia.com.

v.ii. The Entity may introduce all the security measures it deems appropriate for this Program and will reserve the right to suspend it exonerated from any type of responsibility, if fraud or any other irregularity is detected.

v.iii. Likewise, the Entity reserves the right to suspend or cancel the code of any Referring Utoppian when, at its sole discretion, it considers that it could be attracting non-genuine clients, or genuine clients through deception or falsehoods, or that at its sole discretion criteria considers that the money received by the referred utoppian comes from non-genuine or simulated operations with the sole purpose of receiving the Benefit delivered by the Entity, without the real intention of the parties to be customers of the Utoppia app.

v.iv. In the same situation as the one indicated above, the Entity reserves the right to suspend the payment of the Benefit and even to revoke the Benefit already received.

v. vi. The Beneficiaries will accept all the conditions and regulations established by the Entity for the Program. Likewise, they accept any modification or suspension of these Terms and Conditions that are established by the Entity.

v. vii. The Entity may make modifications or additions to these regulations, for which it will suffice to publish the new version of the same on its website, in the Legal section of the App, or by any other means it deems appropriate.
