NEW FOR 2023

In order to reduce the cost to our participants, starting 2023 the per person \$35 SEVIS Fee will be added to your Camp Fees. You will notice this as an extra line item on the 2023 invoice and will be non-refundable once a DS2019 is issued. We hope reducing costs for our participants will allow the participation of many more enthusiastic staff.

In addition, to streamline our fee structure we will now have one fee for our first-time staff regardless of age and whether support or counselor. Additionally, in keeping with the Department of State's requirement for international staff to be paid at a rate similar to their American counterparts, AmeriCamp is raising its required pocket money payment to a single amount of \$2,000 regardless of age.
