GET WILD

What would a ranch-style resort be without animals? From our friendly mascots to falcons, horses, and even burros bearing beer, Lost Pines will give your group a taste of the wild (without getting too wild).

MEET A LONGHORN

Invite one of our true Texas longhorns—or both Chuck and Brisket—to greet your guests during a meeting they will never forget!

One longhorn: 1 hour, \$1000 | 2 hours, \$1,500

Two longhorns: 1 hour, \$1,250 | 2 hours, \$1,650

Longhorns are available only during daylight hours. Guests are not allowed to sit on the longhorns. Ask your planning manager about adding food and beverage to your event.

LEGEND OF THE LASSO

Inspired by the enduring symbolism of the Texas longhorn, the art of lassoing, a time-honored cattle herding tradition that dates back hundreds of years to the first cattle drives in the South, continues to thrive. In the spirit of tradition, guests receive guided instruction by professional, competitive ropers who demonstrate their lasso skills. Participants practice their approach on model steers designed to imitate real Texas longhorns. With newly learned movement rooted in cowboy culture, attendees will experience a connection that speaks to Lost Pines's wilderness setting, located deep in the heart of the piney woods.

Contact our signature experience team for event pricing details.
