

Introducing **X-RAY**

Profit Analytics for Distributor VMI

Increase profits with X-RAY from Storeroom Logix. Know how much money you're making, and where and how to make more. Based on input from a distributor focus group, Storeroom Logix is shining a bright light on vendor managed inventory...so you can make more money!

3 Ways X-RAY increases your profit:

- 1 **VMI Health** - See analytics on profit and how to make more
- 2 **KPI's** - Net Profit, Gross Margin, Operating Costs, Labor vs Gross Margin
- 3 **Custom View** - Customize your unique financial goals and view performance by enterprise, business unit, market segment, customer, or account manager
