Dear Friends,

It is with great excitement and anticipation that **Stepping Stones** Museum for Children invites you to the 20th Swing Into It! Golf Tournament at the Stanwich Club in Greenwich, CT. Grab your clubs and get ready to hit the fairway for this exciting annual event that supports the museum's critical Open Arms accessibility initiative.

At the heart of Stepping Stones is a dedicated commitment to all children and families, known as Open Arms. Since the award-winning, non-profit museum opened in Norwalk's historic Mathews Park 23 years ago, it has served more than 7 million people across the Greater New York region and beyond. In 2023, this multifaceted accessibility initiative serves at least 50,000 guests, supporting multilingual interests, reduced fees and other special access needs. To make this happen, the museum must raise at least \$1 million in funding to provide the greatest access possible to those in need. With the prices of just about everything in our day to day lives increasing, from eggs to gas, the need to provide joy to children is paramount and continues to cost more. We need your help to make this happen.

Numerous sponsorship opportunities allow you to support Open Arms and receive recognition before, during and after the event. At this time, the museum is seeking players and tournament sponsors at levels ranging from \$4,800 – \$20,000.

Please note our Trailblazer sponsorship has increased pricing this year because, like everything else, our costs at Stanwich have grown. In order to serve the children and families through Open Arms, we have shared this increase with you so we can still be there for them.

We truly hope you will come out for a relaxing day of golf and make a positive impact on children and families throughout the community. At this crucial time for Open Arms and Stepping Stones, your support is deeply appreciated.

Sincerely,

John Foster
