OUR DRAFT BEERS

Golden Sorya Ale 1.5 5 6 12

Medium bodied with subtle vanilla note. Light sweet toasted flavour with a tinge of slight bitterness from carefully chosen hops. Crafted with gold edible glitter as finishing.

Eternal Summer Lager 1.5 3 5 10

Medium light bodied with a smooth finish and lingering texture and orange aroma. Slight sweet toasted flavour and light bitterness; light, lively and refreshing.

Krud Pilsner Beer 1.5 3 4.5 9

Floral, spicy and grassy European hop character (medium low). Delicate honey cereal malt sweetness. Subtle apple fruitiness from the lager yeast fermentation. Medium bitterness balances out the malt and hops, with a medium light body and a drying, refreshing finish.

Vattanac Premium Beer 1.5 4 6 12

Elegant aromas of crisp breadcrumb and golden malted barley. Distinctive ripe fruitiness and floral highlights from the blend of new world European hop varieties. A firm and refined bitterness counterbalances the rich complexity, set upon a full mouthfeel and smooth finish.

Dragon Premium Dark Beer 1.5 5 7.5 15

Medium rich aroma of sweet grain, toasted bread and cocoa-chocolate powder. Low levels of smoky coffee roast, but mild and well balanced. Mild aroma of red berry fruitiness from handpicked hops.

Taster (150ml) Mug (330ml) Pint (500ml) Boot (1L)
