

Small change makes a **BIG** difference!

Operation Round Up aims to make a **BIG** difference with small change. This program is designed to provide financial assistance to worthwhile projects and charities in our surrounding communities such as groups serving area youth, volunteer fire departments, first responders, and food shelves to name a few.

With your help, members of **Wild Rice Electric Cooperative, Inc.** will improve the quality of life in our communities by simply allowing your monthly bill to be rounded up to the next dollar. (Example: if your bill was \$113.63, your bill would be rounded up to \$114.00). That extra 37¢ would be placed into the Operation Round Up fund. Consider that an average donation per account amounts to about \$6.00 - \$6.50 / year. Multiply that small change by the many members generously participating in **Operation Round Up**, and it can make a **BIG** difference in our communities. Please consider being part of that difference today.

Consider this

- Contributions are tax deductible. Total contributions will show up on your monthly electric bill.
- Any member may join or drop out at anytime.

Responsibility for Decisions

- A separate trust board has been established for Operation Round up. This board assures that collected funds are given to local charitable and educational organizations.

Yes, I want to help make a difference.

Please round up my bills to the nearest dollar amount and donate the proceeds to a local charity or educational organization.
