

Instructions to fill the Pension Insurance Application

1. Go to → www.truster.com/yel-vakuutus and click "Get Pension Insurance"
2. Identify yourself with your online bank

Mobile Authentication

Choose online bank

3. Choose that you're working without Business ID

Declare your Business ID

☐ My business ID

☒ I work without a business ID

Jatka

4. Fill out your information

Pension insurance information

Entrepreneur details

Name

SSN

Email *

Phone number*

Post address *

Post number *

City

5. Fill out the rest of the information and note the ones listed below. They are the most important in terms of your insurance.

Entrepreneurship and Pension income

- ☐ Full-time
- ☐ Part-time or seasonal

Estimated turnover in the span of 12 months

← Your gross salary for the last 12 months

Main industry

← Choose the one that best describes your activity

Insurance start date

← The insurance must start as soon as the insurance obligation is fulfilled. The date can also be set in the past, which means that you will also receive invoices from the time that has passed.

Work income, i.e. the value of work input

6. Select the details related to invoicing

Invoices

Number of installments per year *

☐ ☐ ☐ ☐ ☐ ☐

← Choose "12"

1st payment month of the calendar year *

I want invoices *

- ☐ E-invoice
- ☐ Email
- ☐ Postal

← Choose your preferred option, but Elo will automatically send invoices to Truster. You don't have to worry about the invoices, as we will deduct the payments automatically from your salary.

Your online bank *

7. Get insurance

Get insurance

8. Congratulations! Your application has been received.

THANK YOU FIRST NAME LAST NAME
and welcome as Elo's customer!
