Healing Through Heart and Impact: San Ysidro Health’s Year In Rewind

Throughout 2022, we helped our hard working families recover and heal from the pandemic through our compassionate, high quality care.

Our work at San Ysidro Health is not possible without you. Join us on our rewind journey as we welcome the new year, looking back at the growth and impact we achieved together in 2022.

SYHealth's iTech Children's Day Camp
Winter 2023
From January 2 to January 6, 2023, San Ysidro Health hosted a day camp for children ages 6-11 at our Mountain Health Community Center in Campo. This camp supports our rural families by offering parents a safe and educational program for their children during their school breaks. The winter session's theme was iTech, where the kids learned step-by-step projects involving coding, keyboards, computers, programming, electrical engineering, radio transmissions, and robotics throughout the week. Our next Spring Camp will be in April 2023. Thank you to the County of San Diego's K-12 Youth Services Community Grant Program for making this camp possible!

“Keeping the Dream Alive. We’re Better Together!”

“Of all the forms of inequality, injustice in health care is the most shocking and inhumane.”
- DR. MARTIN LUTHER KING JR.
On Monday, January 16, we joined the nation in honoring the legacy of Dr. Martin Luther King, Jr – an American civil rights leader whose work focused on the values of equality, peace, and unity. We were so honored to have our Black Soul Employee Resource Group (ERG) represent San Ysidro Health at the 41st Annual Martin Luther King Jr. Parade on Sunday, Jan 15. Our commitment to Diversity, Equity, Inclusion, and Belonging (DEIB) guides the way we provide compassionate care to the over 145,000 lives in our care.

Love Your Heart & Know Your Numbers!
Love Your Heart is an annual event in which organizations like San Ysidro Health, join together to provide FREE blood pressure screenings to the public on or near Valentine’s Day. The event brings together community partners to prevent heart disease and stroke and empowers our community to take control of their heart health, know their blood pressure numbers, and understand what they mean.

Thank You To Our Generous Supporters!

Thank you to Cindy Phillips and her son's basketball team, who initiated a book drive for San Ysidro Health. Together they were able to fill our Reach Out and Read area at our Maternal & Child Health Center (MCHC) with a generous amount of children's books! Every donation counts toward moving our mission forward and we are so appreciative of their support.
