To BHV Residents:

I wanted to take a moment to express how grateful I am for your support. From the very beginning you've all been patient as I learned the process; and kind and forgiving when I spelt your names wrong and continue to talk to me the next day even after I called you by the wrong name. It has been an amazing first year! I can't wait to see what the future holds. Thank you for allowing me this time to get to know each one of you. I am blessed.

—Betty

Maintenance Notes & Updates

Hopefully the warmer temperatures are here to stay, please make sure to set your thermostat at a comfortable temperature. In addition, make sure the thermostat is in “cool” and the fan is in “auto” mode. If the fan is left in the “on” mode, the blower fan will stay on continuously allowing the humidity from outside to come in the apartment.

During the month of April, Bobbi Jo and I will continue unit inspections. Below is the dates and wings:

- April 5 – Wing 401
- April 12 – Wing 402
- April 19 – Wing 403
- April 26 – Wing 404

When using the hoses to wash your car in the RV lot, please roll them back up onto the hose reels.

This month the Commons pool will be closed for monthly maintenance on April 1 & 15 for; Village 6 is currently shut down. The pool temperature is too cold and we are collaborating with Cox pools on how to attack the cracks that have re-emerged.

As always, if there is an emergency or urgent work order please call maintenance at 651-8562 during duty hours (7am-5pm), call security after hours. For routine work or honey do request, please submit maintenance request in the boxes, Touchtown, or Maintenance Care.

Tune into the In-House Cable **TV Channel 1993** for village updates.
