

# 2Future Holding

---

**If you could leave a message for future generations, what would it be?**

**Our wish is to convey attitude. Determination to make choices and create incredible things.**

**We want people to value their reality.**

**And be able to say with pride that this world that they admire, is the way it is because we decided one day to also be part of its history.**

---

Se você pudesse deixar uma mensagem para as gerações futuras, qual seria?

O nosso desejo é de transmitir atitude. Coragem para fazer escolhas e criar coisas incríveis.

Queremos que as pessoas valorizem a realidade que têm.

E que possamos dizer com orgulho que esse mundo que elas admiram, é do jeito que é, porque um dia nós decidimos também fazer parte da sua história.

FORWARD THINKING

WHAT DOES  
THE FUTURE  
LOOK LIKE?

A black and white photograph of a woman's profile, facing right. Her hair is dark and curly, blowing in the wind. The background is a blurred city skyline with numerous lit-up windows and lights.

**FORWARD THINKING**

A black and white photograph of a person's silhouette standing on a beach, facing the ocean. The person is positioned on the left side of the frame, looking towards the horizon where the sun is setting, casting long shadows on the sand.

**2FUTURE** >>

A dark, star-filled background with a subtle, swirling pattern of light gray and white, resembling a distant galaxy or nebula.

Thanks!
