# SUMMER TEENS WORKSHOPS 2023

# SUMMER TEENS WORKSHOPS 2023

## Teens born in 2009, 2008, 2007.

This year we are collaborating with 4 reputable brands to offer a number of short courses covering a variety of interests, all designed to engage our older students over the summer months.

These sessions will provide a great opportunity for participants to explore hidden talents and hone existing skills in different environments which foster the growth of new friendships.

All courses will be held subject to reaching a minimum number of participants.

# BUSHCRAFT SURVIVAL COURSE

NEW

**Fridays for 6 weeks starting on 21st July 2023  
(no session on 18th August 2023)**

**TIMES: 09:30hrs – 12:30hrs**

**LOCATION: Mižieb**

BY

An exciting hands-on course that will enable participants to learn all about the necessary survival skills for the countryside. Bushcraft involves learning how to interact with nature while becoming more observant of the surroundings.

The range of techniques and knowledge covered in this course are grouped under the categories of fire, shelter, water, food, safety and equipment.

## Course Components:

- Introduction to bushcraft, outdoor safety, equipment and outdoor outfits
- Planning ahead in order to avoid dangers and reduce risks
- Dealing with emergencies in the outdoors and prioritising in survival situations
- Building a shelter when lost or stranded
- Lightweight and thermally-efficient shelters which can be carried around.
- Useful knots
- The three vital elements for fire-lighting: lighting a campfire with only one match, selecting the best firewood and leaving no trace of the campfire
- Navigation, route planning, trekking and plant identification
- Foraging, fishing and outdoor games.
- Essential first aid skills that could prove vital when faced with a medical emergency

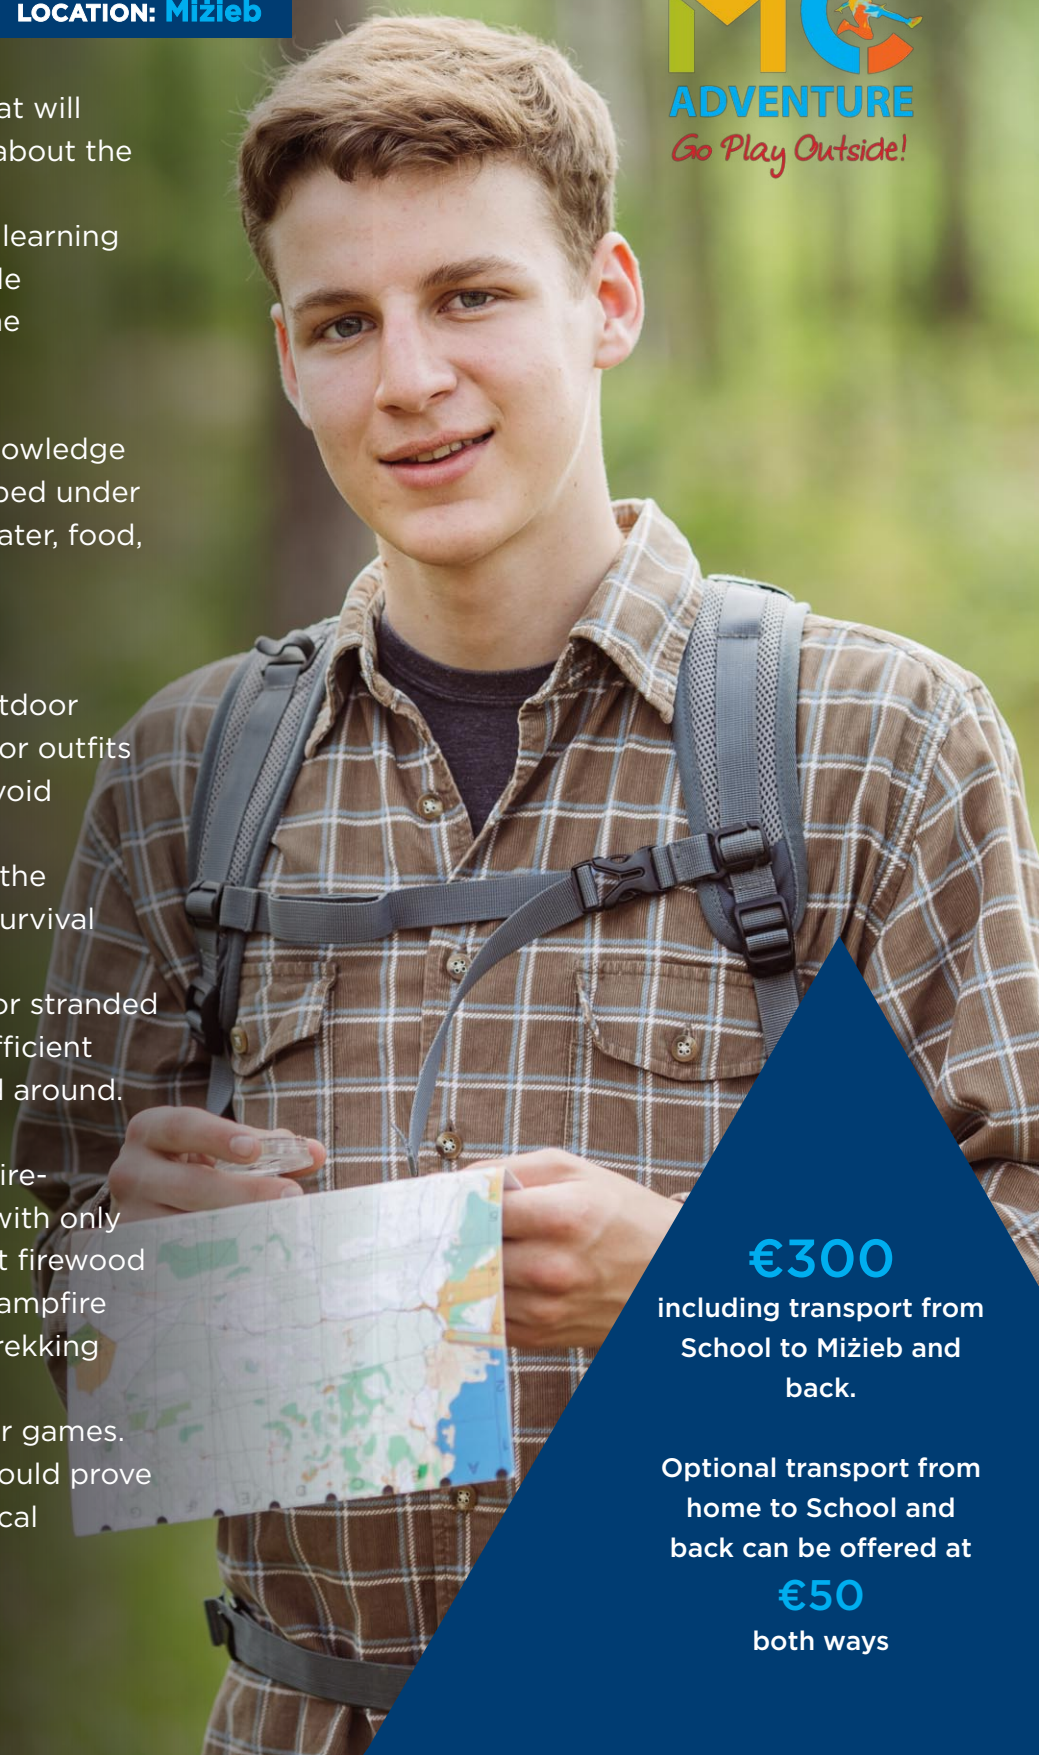

**€300**

including transport from School to Mižieb and back.

Optional transport from home to School and back can be offered at

**€50**
