

# **BEWARE PETITION FRAUD – DECLINE TO SIGN!**

## **INSTRUCTIONS COUNTER PETITION TO BLOCK SAN DIEGO SALES TAX HIKE MEASURE**

San Diego County voters beware! San Diego politicians have hired canvassers to collect signatures at stores in your area on petitions to place a measure on the November 2024 ballot. **Warning: they are outright lying about what the petition does!**

Their unethical canvassers are telling unsuspecting voters that the petition is to “fix potholes.” Some are even saying it is for “public safety” or “environmental protection.” **These are all lies. The petition is actually to approve a massive county sales tax hike!** Unfortunately, many San Diego County voters have now been misled and duped into signing the tax hike petition under these false representations.

### **WHAT YOU CAN DO TO FIGHT BACK**

- 1. REMOVE YOUR SIGNATURE:** If you mistakenly signed the tax hike petition, you can still remove your name from the petition by filling out and signing the attached letter and mailing back to **Decline to Sign Campaign – Stop the Tax Hike, c/o Reform California, PO Box 27227, San Diego CA 92198.**
- 2. HELP OTHERS PREVENT FRAUD:** We need your help in warning other voters about this deceptive petition. Please share this information and the website below so they are informed and can decline to sign the petition. If they already signed the petition, please have them sign the attached letter and send in.
- 3. VOLUNTEER:** We desperately need volunteers to counter-canvass in front of stores – either by tabling or become part of our “Truth Teller” squad of volunteers who will stand next to fraudulent signature collectors at stores to verbally warn voters about the deception. Sign up at the website below.
- 4. CONTRIBUTE:** We desperately need funding to wage this counter-petition campaign. Please chip into the fight at the website below.
