

## NTJFA GROUND MARKING POLICY

### **Ground Marking:**

The following lines must be clearly marked.

- Goal-squares, boundary lines, centre square
- Arc at each end of the ground, 3 metre centre circle (with intersecting line), 10 metre centre circle (with intersecting line)

Interchange area:

- (a) The interchange area comprising two short lines across the boundary line 15 metres apart should be marked on one wing and adequate seating provided for players and team officials of each club; and
- (b) A line one metre outside the boundary line running parallel to the boundary line for the full 15 metres of the interchange area. No player is to cross this line unless in the process of entering the playing surface.

A 1 metre line that is 15 metres in front of the centre of the front line of the goal square running parallel to that line.

The boundary line must be marked at least three (3) metres inside the fence line.

A coach's line should be marked comprising 5-10 metres in length and no more than 2 metres in from the fence / fence line, maintaining a minimum of 1 metre from the boundary line. It should be marked in front of the coach's box/area. No official or bench player can stand in front of this line during play.
