

Keep Your Fleet Moving with Aviation Workforce Screening

Vault Health Workforce Screening makes it easy to meet the aviation industry's strict DOT, PRIA, and FAA requirements, all in one place. With more than 30 years of industry experience, our customized solutions will help you place candidates into new roles efficiently and compliantly— **decreasing time to hire and increasing productivity.**

How Vault Serves You Better

- Reduce your time to hire thanks to our **industry-leading turnaround times.**
- Stay up to date with regulations and comply with federal, state, and local guidelines with the help of our US-based, internal compliance experts. **Our in-house Medical Review Officer (MRO) reviews all laboratory results to ensure testing is in accordance with HHS/DOT requirements.**
- Mitigate drop-off rates, promote a positive candidate experience, and **quickly meet your operational needs** amid the Great Resignation with electronic consent forms and our fully integrated mobile-responsive platform.
- Receive personalized attention that supports your program's success from knowledgeable, **100% US-based client service and onboarding teams** armed with experience on DOT regulations.
