# Hassle free living

As a busy keyworker professional, we appreciate you probably already have enough on your plate before you even start to look for somewhere to live.

So let us take the stress out of renting privately. When renting one of our properties you avoid admin charges to letting agents and there are no fees for extended contracts.

We provide a 24-hour, seven-days a week emergency repairs helpline.

These properties are owned and managed by Rooftop Homes Ltd which is part of Rooftop Housing Group, a not-for-profit housing association. We also provide keyworker accommodation at Royal Shrewsbury and Worcestershire Royal Hospital.

The accommodation is available fully furnished and Wi-Fi access is available

## Weston General Hospital

Our keyworker accommodation is located in the grounds of Weston General Hospital, within easy reach of local schools, supermarkets, leisure facilities and the M5 motorway.

Single rooms or three bedroom town houses are both available to rent, the accommodation is fully furnished with allocated parking, and Wi-Fi access available for a small monthly charge.

*Please note, bed linen and towels are not provided.*
