Childcare

Done your way, on your schedule

WeVillage was founded in 2010 as a flexible childcare option for busy families on the go. Today, we continue this promise and have evolved into also providing a full-time education environment for infants through Pre Kindergarten.

Our Philosophy starts by engaging and inspiring children, and creating the magical moments that EVERY CHILD deserves to look back on with the fondest of memories. We embrace an unbiased, multicultural approach and make EVERY CHILD feel welcome, respected, loved, and valued.

We support a “Constructivist” approach “Learning Center” based programs where the environment itself is the “Third Teacher” as represented with a “Reggio” approach.

Our Programs

Flexcare

Not everyone needs care on a specific date or time, no worries! Simply make a reservation for the block of time you need and we'll take care of the rest.

Infant / Wobbler / Toddler Program

Certified teachers with infant and toddler expertise will tailor activities to promote learning and discovery.

Our curriculum includes six Focused Practices which encourage exploration and discovery to stimulate early learning.

2 Year Olds "2's"

WeVillage Preschool's Two's program is designed to provide a nurturing and stimulating environment for children aged two years old. Our experienced teachers understand the unique needs and abilities of this age group and provide activities that encourage exploration and discovery.

WeParent and Me

WeParent and Me is a program designed for parents who have a child experiencing separation anxiety. Through this program, parents will learn strategies and techniques to support their child through the separation process, as well as receive emotional support and guidance from other parents in similar situations.

Spanish Immersion Preschool | La ESCUELITA

Our program infuses the Spanish Language into our preschool curriculum and our creative Inspired Educational Approach. During their early years, as a child's brain is developing, second languages are easily absorbed.

Summer, Winter, and Spring Break Camps

School closed for the season? Not WeVillage! We're here for you during vacation season. Your kids will have a blast in our day camps; from art to acting, cooking lessons to crafting, our camps are packed with tons of fun from 8am to 4pm daily.
