

PLATFORM SCIENCE COMPLIANCE

When it comes to compliance, we've got you covered. Platform Science delivers a robust set of applications designed to keep your fleet in line with the regulations and focused on the road ahead. You'll have everything you need to take the guesswork out of adhering to federal and state regulations—all on our driver-friendly interface.

PS Hours of Service (HOS)

Comply with regulatory mandates for electronic logs, driver hours, intrastate rulesets, and supported exceptions and exemptions. Easily review the real-time status of every driver, log edits, violations, unassigned drive time, diagnostics, and more with our advanced compliance reporting. Plus, PS Hours of Service incorporates state time tracking which tracks hours worked, meal breaks and off-duty statuses for state-mandated requirements.

PS Driver Vehicle Inspection Reporting (DVIR)

Keep your vehicles road-ready with PS DVIR. Streamline inspections with a driver-friendly interface that records defects, captures photos, and provides detailed descriptions of issues to help maintenance teams troubleshoot problems.

Connect with us to see PS Compliance in action and learn how we keep your fleet safe and compliant on the road ahead.
