

At Canyon, we stand behind the materials we use and the people who install them. We're passionate industry partners who are always looking for ways to deliver superior quality, exceptional service and long-term solutions. Our 2-year parts and labour warranty is another chance to give you more of what you really want—peace of mind.

Canyon Plumbing and Heating Ltd provides every homeowner with a two-year parts and labour warranty. All defective materials will be repaired or replaced under your warranty period, which is two-years from the occupancy date. Most products carry an extended warranty. This is direct from the manufacturer, not Canyon Plumbing and Heating Ltd.

Items not covered in your two-year warranty:

- Plugged toilets and kitchen drains
- Products not supplied and installed by Canyon Plumbing and Heating Ltd.
- Scratched faucets or toilets seats
- Any physical damage to faucets and/or fixtures
- Marble showers, ceramic tile showers
- Tub and shower doors
- Damage caused by freezing

Visit our website, www.canyonplumbing.com for plumbing conservation and care tips as well as links to specific manufactures products.

WATER CONSERVATION/GREEN PLUMBING: Visit our Green Canyon page on our website.

PRODUCT INFO: Visit our suppliers page—found under the showroom tab—and click on the logo of the manufacturer of your product. Most manufactures provide detailed spec sheets with care instructions for each product.
