PARENTS OBSERVATION

The April Parent Observation is our most important time to communicate with parents. This meeting will be a time for communicating costume, dance pictures, and recital info. This is also the time when we will pass out all of the recital costumes to the students. Please make every effort to have someone at this activity.

Parent Observation/Information week is **April 8th – April 11th**. This is a **VERY IMPORTANT** week as costumes will be tried on and handed out as well as recital information given. Only 2 persons per dancer is allowed to attend. No siblings are allowed. Please make arrangements for childcare for sibling. Children cannot be left unattended in the lobby.

COSTUME BALANCES

If you have not paid your costume balance, please do so ASAP.

*****Costume balances must be paid in full as well as tuition and late fees must be up to date before your child will be allowed to take the costumes home.*****

RECITAL FEE

There will be a \$85.00 per student recital fee due no later than Thursday, April 25th. A recital fee is common at all dance studios for those of you who are new to dance. This fee is used to help cover expenses of producing the show which includes Facility costs (Custodial, sound, and lighting fees), programs, advertising, decorations, etc. The fee you will pay will also cover a special trophy given to your child in honor of their participation in the recital. **New this year your recital fee will include 1 USB flash drive per family. Each flash drive will contain all 3 recital shows.**

Please indicate on the memo line of your check when paying your recital fees. Families with multiple students will pay \$85 for the first student and \$40 for each additional student.

ALL TUITION, RECITAL, AND/OR ANY OTHER FEES MUST BE PAID IN FULL PRIOR TO RECITAL OR WE WILL BE UNABLE TO ALLOW YOUR CHILD/CHILDREN TO PERFORM.

****ATTENTION:** To make yours and our accounting easier, you may write one check and combine fees. Simply indicate on memo line how the fees should be dispersed. You may also pay online or contact Sharon/Jennifer in the front office to withdraw the fees from your credit card on file. It's easy and convenient.

Speaking of Recital.....

Our annual recital will be held MAY 31st & June 1st, 2024 as scheduled. We are excited to utilize the Clayton Center for this year's recital. Recital Schedule is being worked on and will be posted in the lobby in April. Please note that we are not able to accommodate all recital requests. They are taken into consideration on a first-come-first-served basis. We will do our very best to accommodate as many as we can.

More on recital.....

Parents, please encourage your children to practice their routines for the recital. The students have worked very hard and we want them to look their very best when performing. The students must practice outside of their class time to ensure a good performance on their part. You can ask Sharon/Jennifer to send you a Dropbox link to your dancer's music. We ask that parents help by reminding their children to work on their routines at home.

DANCE PICTURES

Dance pictures will be taken at the studio the week of **April 22nd – April 25th** by Photoplay Studio Photography. We are very pleased to have secured this company. It is important for every student to appear in their group picture. Photoplay Studio Photography will be making a large display picture of the students who have their picture taken. We want all students to be remembered so please make every effort to have them here for their group pictures. You are not required to have individuals made and you are not required to purchase pictures. A copy of the Picture Schedule will be emailed separately and posted in the lobby.
