Testimonials

Our beneficiaries had a lot to say...

Thank you @theZuriTeam for giving me a foundation to build and walk on. Thank you @Ingressive4Good for being a blessing. Thank you to every mentor and facilitator @caculuz @Phorlajormey @UduakEkpo12 @_davidblack_ @xyluz and everyone!

Thank you ASUU too for making it happen 🙌

Lol...not me entering HNG as a complete introvert. At level 3, I was almost kicked out, that was when my tactics changed. At level 3, the goal was to be better at my skills enough to be a finalist.

The moment I was announced a finalist, my confidence level was unmatched!

I mean I could see I had greatly improved, but just seeing my name announced sealed it.
The connections I got through HNG totally changed my career. All opportunities I've gotten so far can be traced to HNG.

That internship is highly recommended!

Today am graduating 🎓🎓🎓🎓. Its been fun, challenging and exploratory. Thanks to @Ingressive4Good and @theZuriTeam for making the training and project phase completely free and beginner friendly. Exciting times ahead 🥳🥳🥳
