The Card Networks have established procedures for resolving Chargebacks that may require that Company provide details of the disputed Charge or associated documentation. In addition, at Jeeves option, the Company will be required to pay to Jeeves a foreign exchange fee equal to a FX rate, determined by Jeeves, in its sole discretion, multiplied by the gross amount of the transaction. Such FX rate will be provided by Jeeves to Company at the time of the transaction.

21. *Set Off and Collections; Events of Default.*

- a. Without limiting anything in Section 20 to the contrary, Periodic Statements that are not paid on time may be collected from any Linked Account that is currently linked to the Account; or set off, debited, or collected from amounts the Company holds jointly with a third party or opens in the future, even if the original Account has been closed.

In addition, Jeeves shall have all the right, in addition to any other rights provided by law, to

enforce its rights and remedies under this Agreement and the documents related hereto. Further, the Company agrees to make any filing and/or notification reasonable requested by Jeeves in order to secure Jeeves's rights to receive payments in accordance with applicable law and the execution and perfection by Company of a non-possessory pledge on any and all rights to underlying recurring payments to Company by its customers in favor of Jeeves.

- c. To withdraw the debit authorization from a Linked Account, Company must provide Jeeves thirty (30) day advance written Notice and pay all amounts owed on the Account immediately, including Charges and other amounts that may be included in future Periodic Statements. Withdrawal of a debit authorization does not terminate the Agreement or Company's obligation to pay all amounts owed under this Agreement or the Payment Method Terms.  - e. In order to facilitate the continued and proper operation of the Jeeves platform, make improvements to the Jeeves platform or to comply with Applicable Law, Jeeves may issue updates for the Jeeves platform, including Jeeves APIs or other terms of service, from time to time. Some such updates may require Company to take steps to implement them. Company agrees to implement such updates as soon as reasonably practicable after receipt. In some cases (for example, if there are security risks), Company agrees and acknowledges that it will not be able to use the Jeeves Platform until Company has implemented the update. If Company has not implemented an update within six months of Jeeves releasing it, Jeeves may stop providing some of the Services to Company, by giving Company two months' prior written notice.
 - f. Any waiver, modification, or indulgence provided by Jeeves to Company, of any kind or at any time, applies only to the specific instance involved and will not act as a general waiver or a waiver, modification, or indulgence under this Agreement for any other or future acts, events, or conditions. Further, any delay by Jeeves in enforcing its rights under this Agreement does not constitute forfeiture of such rights.
37. **Force Majeure.** Neither party will be liable for any delays in processing or other nonperformance caused by any Force Majeure Event or any other event over which the respective party has no reasonable control. The Party subject to the Force Majeure Event will: (i) promptly notify the other Party of any circumstances which may result in failure to perform its obligations; (ii) use reasonable efforts to avoid or remove the underlying cause of the delay or nonperformance or to mitigate the effect of the Force Majeure Event on the performance of its obligations; and (iii) resume performance hereunder as soon as reasonably practical following the removal of the Force Majeure Event. This Section 37 does not limit or otherwise affect Company's obligation to pay any Fees or other charges or amounts payable under this Agreement.
38. **Entire Agreement.** This Agreement constitutes the entire understanding between Company and Jeeves for the subject matter described and no other agreements, representations, or warranties other than those provided in this Agreement will be binding.

ADDITIONAL Issuer Provisions. The following provisions apply if an Issuer is a Third-Party Service Provider with respect to the Services you receive. For purposes of this Section 15, the use of “we,” “us,” “our” and “ours” shall refer to Issuer.

1. Card Terms.

- a. **Card Usage Terms.** Authorized Users may only use Cards for bona fide business purchases, for valid and lawful purposes, and must not use Cards for personal, family or household purposes, or for cash advances or withdrawals. All Cards remain Issuer’s property and must be returned to us upon request. We may cancel, revoke, repossess or restrict the use of any or all Cards at any time. We may decline to authorize or reverse Charges, and we may suspend Cards, for any reason including violation of this User Agreement, suspected fraud, or creditworthiness issues. We are not responsible for losses resulting from declined or reversed Charges. Merchants typically accept all Card Network- branded Cards; however, we are not responsible and will have no liability if a merchant refuses to honor a Card or accept a Card Transaction.
- b. **Declined Card Transactions.** We reserve the right to decline Card Transactions with prohibited merchants. When a User uses a Card (or Card number) to initiate a Card Transaction at a hotel, restaurant, gas station, rental car company, or another merchant where the final Charge is unknown at the time of authorization, a hold may be placed on the available funds in the Account for an amount equal to or in excess of the final Card transaction amount. The funds subject to the hold will not be available to User for any other purpose until the hold is released.
- c. **Spending Limit.** Prior to activating your Account, Jeeves may establish a Spending Limit, and where desired, Card limits. Jeeves may also establish limitations on the types of merchants with whom Users may enter into Card Transactions, or other authorization controls as the Issuer Platform permits. We may establish and adjust the Spending Limit or Card limit for your Account, Cards or Charges at our sole discretion at any time. Charges will reduce the total Spending Limit and any Charges in excess of the Spending Limit will be declined. We may restrict the maximum amount of any particular Charge and the number of Charges allowed for your Account or Cards, or both.
- d. **Card Limits.** For U.S.-based Services, we may prevent Cards from functioning outside the United States. In the event that Cards are used to make international Charges, Issuer will convert into U.S. dollar the Charges made in a currency other than U.S. dollar. We will select exchange rates from a range of exchange rates available on the date the Charges are cleared over the applicable Card Network; therefore, the exchange rate of the Charge may vary from the exchange rate at the time of the Card Transaction.
- e. **Card Account Holds.** We may decline Card transactions with prohibited merchants or place a hold on available funds in the Account for certain Card transactions, or both. When a hold is placed on a Card account, the funds subject to the hold will not be available to you until the hold is released.
- f. **Non-Usage Fees.** We reserve the right to charge a reasonable non-use fee to the Account in the event spend fails to exceed the equivalent of \$10,000 USD per calendar month.

2. Program Requirements and Restricted Activities.

- a. **Compliance with Law.** You must obtain the Services in a lawful manner, and must obey all laws and regulations. As applicable, this may include compliance with domestic and international laws and regulations related to the use or provision of financial services, notification and consumer protection, unfair competition, privacy, and false advertising, and any other laws and regulations relevant to Card transactions.

- b. **Restricted Businesses and Activities.** You may not use the Program to enable any person (including you) to benefit from any activities Issuer has identified as a restricted business or activity (collectively, “**Restricted Businesses**”). Restricted Businesses include use of the Program in or for the benefit of a country, organization, entity, or person embargoed or blocked by any government, including those on sanctions lists identified by the U.S. Department of Treasury Office of Foreign Asset Control.
3. **Data Privacy.** Issuer processes, analyzes, and manages Personal Data to: (a) enable Jeeves to provide the Services to you and other users; (b) mitigate fraud, financial loss, or other harm to you, other users and Issuer, and (c) analyze, develop and improve our products, systems and tools. Issuer provides Personal Data to third-party service providers, including Issuer and the Card printer, and their respective affiliates, as well as to Issuer’s affiliates, to allow us to enable the Services for you and other users. You understand and consent to Issuer’s use of Personal Data for the purposes and in a manner consistent with this Section 15. We will only use Account data and Personal Data as required to enable the Services for you, to fulfill our obligations to regulatory authorities, and in accordance with the Issuer Privacy Policy. Protection of Account data and Personal Data is very important to us. The Issuer Privacy Policy explains how and for what purposes we collect, use, retain, disclose, and safeguard the Account data and Personal Data you provide to us. You agree to review the terms of the Issuer Privacy Policy, which we may update from time to time, and which forms part of this User Agreement.
4. **General.**
 - a. **Construction, Waiver.** No provision of this User Agreement will be construed against any party on the basis of that party being the drafter. Unless expressly stated otherwise, the use of the term “including” or “such as” is not to be interpreted as limiting the generality of the text preceding the term. No waiver by any party of any breach of any provision of this User Agreement to be performed by a party will be construed as a waiver of any succeeding breach of the same or any other provision of this User Agreement. We do not waive our rights by delaying or failing to exercise them at any time.
 - b. **Severability.** If any provision of this User Agreement is determined by any court or governmental authority to be invalid, illegal, or unenforceable, this User Agreement will be enforced as if the unenforceable provision were not present and any partially valid and enforceable provision will be enforced to the extent that it is enforceable.
 - c. **Force Majeure.** Neither party will be liable for any delays in processing or other nonperformance caused by any Force Majeure Event or any other event over which the respective party has no reasonable control. The Party subject to the Force Majeure Event will: (a) promptly notify the other Party of any circumstances which may result in failure to perform its obligations; (b) use reasonable efforts to avoid or remove the underlying cause of the delay or nonperformance or to mitigate the effect of the Force Majeure Event on the performance of its obligations; and (c) resume performance hereunder as soon as reasonably practical following the removal of the Force Majeure Event. This Section 15 does not limit or otherwise affect Company’s obligation to pay any Fees or other charges or amounts payable under this Agreement.
 - d. **No Agency; Third-Party Services.** Except as expressly stated in this User Agreement, nothing in this User Agreement serves to establish a partnership, joint venture, or other agency relationship between you and us, or with Issuer. Each party to this User Agreement is an independent contractor.

2. *Reporting a Dispute*

- a. Company and/or its Users may submit a Dispute from the Jeeves Account for any settled card transaction processed through Jeeves Account or Payment Methods. If Company and any merchant have a Dispute regarding a transaction identified on their Account Periodic Statement (a “*Disputed Transaction*”), including a Dispute regarding the delivery of incorrect goods or services or being charged the wrong amount, Company or its Users should first attempt to resolve such Disputed Transaction directly with the merchant. If the Disputed Transaction is not resolved to their satisfaction or if they believe the transaction is unauthorized, they may initiate a Dispute through their Jeeves Account. Company and its Users understand that the Jeeves Program Agreement is subject to Card Network rules regarding Disputes (such Disputes, “*Chargebacks*”). The Card Network does not accept, and Jeeves will not process, any Disputed Transactions reported more than ninety (90) days after the Disputed Transaction or error posted to Company's Account. Jeeves will make every effort to review disputes within thirty (30) days of receiving the Disputed Transaction from Company or its Users.

5. **Fraudulent And Unauthorized Charges**

Company or its Users must notify Jeeves immediately by emailing us at fraud@tryjeeves.com and assist Jeeves in its investigation if the Company's or its Users' Card is lost or stolen or if it believes an unauthorized person or persons is using their Card or Account without their permission. Company and its Users agree that Jeeves waives any and all limitations on its liability for the unauthorized and fraudulent use of such Cards. If the Disputed Transaction is found in favor of Company, Company will keep the provisional credits that were issued previously and no further action is necessary.

7. **Finality of Decision**

The decision of Jeeves regarding any Disputed Transaction or other Disputes is final and binding on Company and its Users.

8. **Continuous Improvement**

Jeeves will continuously review and improve its Dispute Policy and Procedure and its Chargeback process to ensure that Jeeves provides the best possible service to its customers.
