on behalf of Hollard in relation to these insurance products as if we were the insurer.

We will provide you with factual information about the relevant products and in some cases provide general advice.

Where we provide a "general advice" service we provide a general recommendation or opinion to you on the relevant product which is not based on a consideration by us of your personal needs. You should consider whether

our general advice is appropriate having regard to those matters and obtain a PDS for the recommended product before making a decision whether to acquire it.
