TANGLEWOOD PARK

GETTING STARTED ON BOUNX

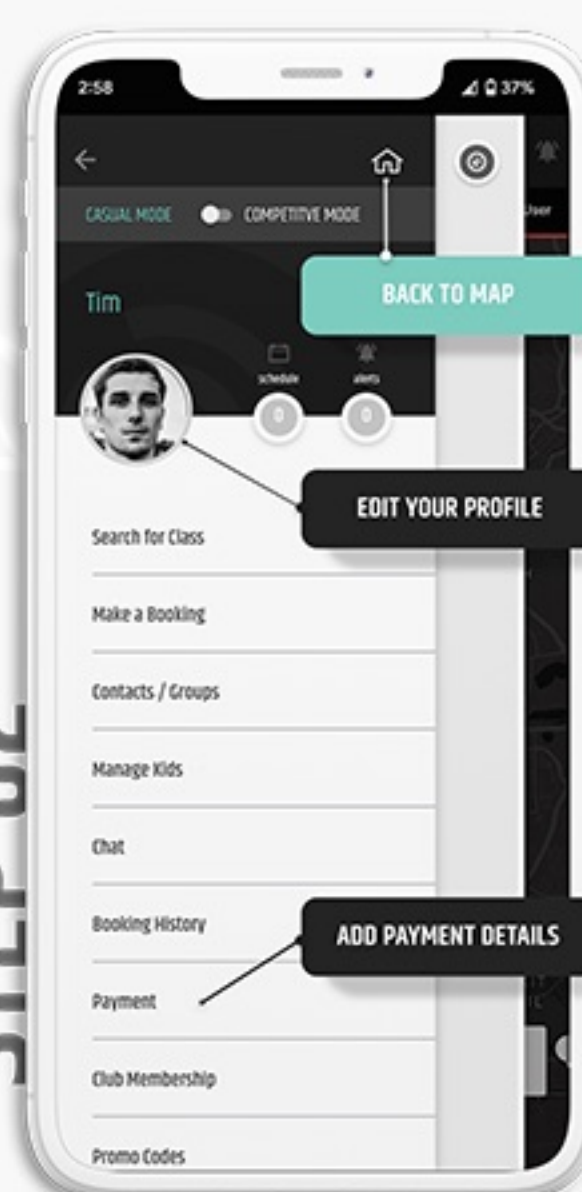

STEP 01

Download the **BOUNX Sport** app for iOS or Android from the respective stores.

Set up the initial account as a parent (your own details) then add your payment details (this will be shared with your subsequent kid accounts).

STEP 02

Tap on [**Manage Kids**] in the Menu (☰) to create accounts for your kids.

NOTE: Classes are filtered by age so please use an accurate birthdate. Also, each account must have a unique email. If your kid does not have an email enter one similar to this. [john.smith@bounxsport.com]

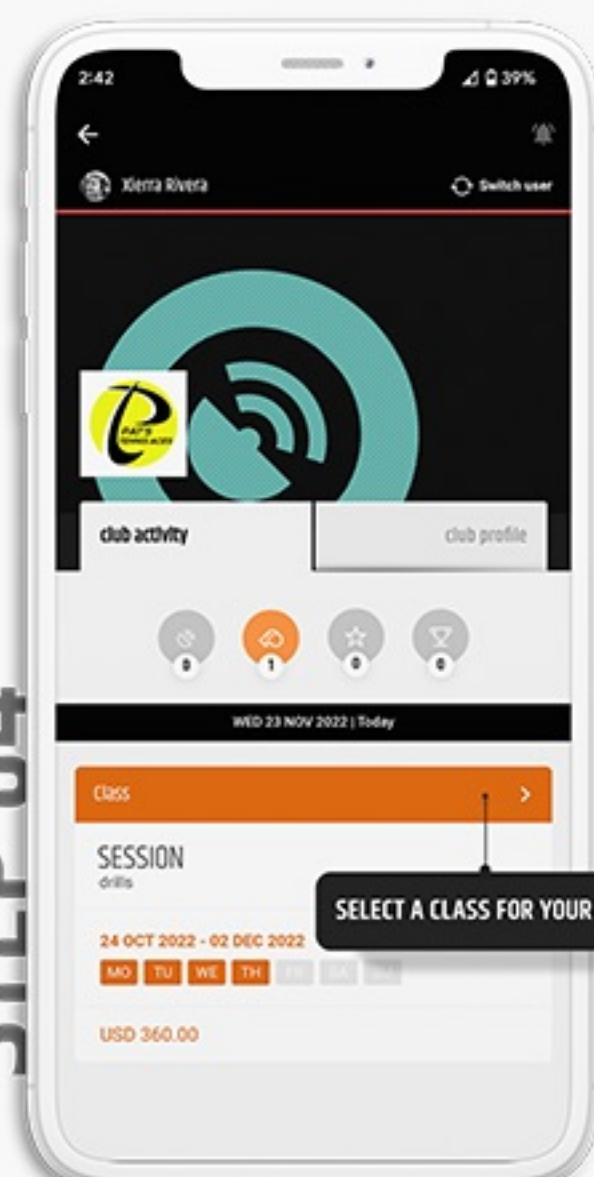

STEP 03

In the Menu, switch to the kid you want to book by tapping their name, or tapping the black bar at the top of the screen. Now let's search for '**Tanglewood Park**' to find available classes/activities.

TIP: tap the [🏠] at the top of the Menu to go back to the map and set your **HomeClub** as '**Tanglewood Park**'.

STEP 04

Tap on the Class you want to join and scroll down to pay. You can view the details of your classes from your schedule.
