Meeting Agenda

- Welcome and Introductions
- Week 2 Presentation
- Subject Matter Expert Presentation
- Visioning Exercise
- Q&A/Discussion
- Wrap-Up and Next Steps

Meeting Summary

- Jon Sydel, Deputy Chief Sustainability Officer presented on Sustainability and Resilience:
  - Discussed S/R leads science-based analysis informed by the community.
  - Mayor’s successes: NAFA top 50 Green Fleet Award, CDP Climate Action Leader, Sustainability Ambassadors Program, Solar Atlanta Installations on 23 City Buildings, Atlanta Ranks 3rd on EPA Energy Star, Earth Day Proclamation
  - Clean Energy Atlanta: 10% by 2020, 30% Clean Energy by 2025, 50% Clean Energy by 2030 and 100% Clean Energy by 2035
  - COA 2015 Climate Action Plan-Goals met in 2020 (commercial and residential buildings, food security, green space access)
  - Federal Funding Roadmap: Energy Efficiency Block Grant, Charging Fueling Infrastructure Grant Program, Climate Pollution Reduction Grant, Buildings Up, Greenhouse Gas Reduction Fund, Justice 40 Oversight Commission

- The group worked to modify a vision statement that will both inform and guide the recommendations to the mayor on the remaining 300+ acres of the site

Next Steps

- Respond to remaining questions from comment cards
- Log recommendations and potential goals for the group based on meeting feedback
- The group will review additional climate related material for consideration
- The group will solidify vision statement and begin working on recommendations
