- Wrap-Up and Next Steps

Meeting Summary

**ATL Fire-Deputy Chief Hill:**
- EMS: Training is currently at night on the street but will be more instrumental when training facility is constructed.
- Fire Fighter 1 & 2: Fire Fighter 4: Drivers require training due to the scale of the vehicles. Tiller trucks require a unique skillset to fit within more narrow streets

**E911: Terence C. Nickens**
- Originally viewed as a clerical position but is transitioning to be more of a first responder role and can be 18 years old to qualify for employment.
- Discussed different staff trainings that are required for certification and continuing education for on-going trainings. Training staff assist with recruitment and prescreening.

**Atlanta Police Academy: Brauninger**
- Discussed results of 21st Century Policing and different partnerships with organizations focusing on diversity and equity, officer safety, use of force and wellness training
- Upcoming 2023 sworn classroom in-service curriculum and recruitment focusing on social media, out of state recruitment for a bigger pool of applicants; psychological screening, medical assessment and psychological testing which 15-20% don’t pass due to criminal history or unresponsiveness.
- Discussed training facility to be community friendly to improve community partnership and transparency.

Next Steps

- Finalize vision statement and begin discussing recommendations.
- Compose questions and answers from presentation and send out to task force members before next meeting.
- Log recommendations and potential goals for the group based on meeting feedback
- Imperative messaging the intent of the training facility, how it is shared with community and accountability.
