Welcome
Task Force Vision and Goals

Vision
The vision for the South River Forest and Public Safety Training Center Community Task Force is to contribute to the policymaking for a safe, equitable, and inclusive environment that provides comprehensive training for all public safety professionals and encourages public interaction with the site.

Goals
The goals for engagement are to:
• Create inclusive and community-driven recommendations for the surrounding green space (300 acres) and the public safety training curriculum.
• Facilitate an inclusive engagement process that incorporates the aspirations and expertise of the Atlantan community.
• Provide opportunities for fact-based education and awareness of the public safety training center and surrounding green space.
Task Group Areas

Group 1: Parks & Greenspace
Develop programming for passive and active uses of the land, while preserving its natural ecology

Group 2: Police, Fire, and E911 Curriculum
Provide input on the collaborative potential and direction of the public safety curriculum

Group 3: Sustainability & Resilience
Introduce and encourage the use of best practices with regards to infrastructure and development

Group 4: Visioning, Memorializing, and Repurposing the former Atlanta Prison Farm Site
Contextualize the future best use of the Atlanta Prison Farm Site given its history
Expectations

Engagement activities are centered around the planned development of the site

Recommendations will be delivered to the Mayor’s Office, but all may not be implemented

Task force members are representatives of their community of influence

The Task Force is focused on the 300 acres surrounding the Public Safety Training Facility site

Only selected Task Force members are to participate in the activities

Recommendations

Exercise
Draft Recommendations – Instructions

1. Review the recommendation “buckets” and drafted recommendations created from previous workgroups
2. Write down your recommendation on a sticky note and pin it onto the board with each of the specified buckets
3. Use the dots provided to you to prioritize the recommendations within each bucket
   Use up to three (3) dots for each group

Refer to the results from your group’s vision, previous plans, presentations, and any recommendations shared during workgroup meetings to inform the recommendations for your group.
Recommendations Process
Recommendation “Bucket” – Visioning, Memorializing, and Repurposing the former Atlanta Prison Farm Site

**Education**: aim to promote knowledge, awareness, and understanding of a past, as well as the potential for the future

**Preservation**: protect and conserve physical and cultural resources

**Land**: address land use and management practices with the aim of achieving sustainable outcomes with respect to the site's history
